Since our association of last year you can see we have lost many of our Beloved brethren and sisters by death. Death to the vast majority has an omnious sound and it is something many do not like to think about or discuss, but something that each of us must experience. Solomon clearly defined physical death when he wrote: "Then shall the dust return to the earth as it was and the spirit shall return unto God who gave it."

The body is only the house in which the soul lives until death shall release and send it to a better home. Death is only a change of residence. It is evident that while death is a sleep for the body it is an awakening of the spirit. Richard Henry Stoddart in a translation of our old Persian Poem has given us a beautiful Christian concept. The poem goes something like this:

"When my bier is borne to the grave and its burden is laid upon the ground cry not like the mourners around
He is gone-all is over-farewell!
But go on your ways again and, forgetting your own Petty loss,
Remember his infinite gain;
For know that this world is a tent and life but a dream in the night
Till death plucks the curtains apart and awakens the sleeper with light."

And so I say unto all, "Remember your loved ones, their love, their understanding, their compassion, their forgiving ways and the hands that were always ready to help one who had erred and had reached the depths of despair, remember their Christ likeness in all they said and in everything they did. They can not come to us, but through our faith in Christ we can go to them and be with them throughout all eternity."

Respectfully submitted,
Mrs. Kinnon Hodges

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

THE BROTHERHOOD ACTIVITIES - 1966

First I would like to state that all Brotherhoods in the Association are not DEAD. We have some doing a fine job. Let me give you some of the highlights of their activities.

In 1965 there were 17 churches who reported a total membership of 351 men enrolled. In 1966 we have only 12 churches reporting an enrollment of 427 men. This is 5 less Brotherhoods and yet the membership for the association increased 36 men. Cherry Point Church has an increase of 33 men; Beaufort First - 30 men; New Bern First - 25 men; Morehead City First - 24 men; Swansboro - 20 men; Temple - 14 men; Newport - 10 men. I do not have a report on the R.A. membership.

In January the Brotherhood sponsored a Baptist Men's Day Program by the men taking charge of the services with lay speakers and personal testimonies.

The Brotherhood also cooperated with the week-long school of missions and provided transportation for the missionaries to the various churches in the association.

The Brotherhood has had charge of the church picnics. In New Bern the Brotherhood sponsors a class in sign reading and speaking to the deaf with Rev. Neal Peyton as teacher.

The Brotherhood is helping with establishing and maintaining a weekly Sunday School and inspirational hour at French Memorial Home for the Aged and had two professions of faith in Jesus Christ as their Savior. We need more activity in this kind of missions.

The Brotherhood has visitation programs and teaching classes on missions. They have also worked with the Royal Ambassadors, leading them in God's service and activities in christian fellowship - camping, swimming, attending R.A. Camp Carraway, visiting children's home, baseball leagues, woodcraft, building bird houses, boats,

tables, etc. The R.A.s participated in a toy drive for Christmas, collecting over 300 -toys and also cleaning and repairing them for the needy children.

Let's thank God for these Christian leaders in Brotherhood and R.A. work for our Master and may we have more men who are concerned.

Respectfully submitted,
G.R. Burnham, President

REPORT OF THE RESOLUTION COMMITTEE

Whereas the eighty-third annual session of the Atlantic Baptist Association has had one of its best meetings, giving information, inspiration, and challenge to our Baptist people, now be it resolved:

1. That we express our sincere thanks and appreciation to the host churches, Morehead City First Baptist Church and Tabernacle Baptist Church, for their generous hospitality and provision for our every physical need.
2. That we commend the Program Committee for the inspiration and challenge afforded us by the speakers of the session;
3. That the officers of our Association be commended for the admirable leadership provided during their administration;
4. That we express our gratitude to the Reverend H.A. Privette, our associational missionary, as he labors among us in the name of the Master.
5. Be it further resolved that we encourage every church in the Atlantic Baptist Association to offer increased support to the total mission program of the association.
6. We are thankful to God for those who have caught the vision, and see the needs, and offer their time, talents, and money to promote the Kingdom of God in this area.

Respectfully submitted,
H. Ellis Lanier
Acting Chairman

ASSOCIATIONAL FOUNDATION REPORT FOR 1966

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right now many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either

through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

REPORT ON BIBLICAL RECORDER 1966

The Biblical Recorder is the Journal of the Baptist State Convention of North Carolina.

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday School lessons or the Uniform Lessons. For a period of at least six months, the Recorder will run both lessons as a service to our churches.

In addition to issues within our own denomination, new and disturbing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movement, and the drastic changes in young people's attitudes toward the churches are being widely discussed. Christians need to be informed on these trends. No other publication can take the place of the Biblical Recorder.

Even in these inflationary times the RECORDER, through the every-family plan, is available for the same as it was a 100 years ago..$2. Ten churches in our association take the RECORDER on the every-family plan, several others have the Club Plan, six or seven have no club.

Pastors and Sunday school superintendents receive the RECORDER without cost to them.

The ten churches on every-family plan receive 766 RECORDERS, others through Club Plan receive 178, pastors 25, and Sunday school superintendents 32. Grand total Biblical Recorders to the Atlantic Association are 1,001..

Respectfully submitted,
A.L. Benton

ANNUITY BOARD ASSOCIATIONAL REPORT - 1966

THE SOUTHERN BAPTIST PROTECTION PLAN

For the first time in two years, all ministers who are not enrolled in the Southern Baptist Protection Plan are being informed about its benefits. A direct mail campaign has been conducted to give ample information to prospective ministers in each state convention.

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 per cent of any amount up to $4,000 a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is $400 a year if its minister is under 60 years of age.

THE HEALTH BENEFIT PLAN

Enrollment has reached 10,054 in the Health Benefit Plan. During the past year, promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

BENEFITS PAID

In 1965, almost $4 million was paid in age retirement, disability or widow benefits

to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Since the beginning of the Annuity Board in 1918, almost $51 million has been paid out in benefits which annuitants have termed "manna from heaven."

MEMBERS IN ANNUITY BOARD PLANS

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies who have protection programs with the Annuity Board. There are more than 28,000 members in the retirement plans of the Annuity Board.

There are seven states with 70 per cent or more of the churches in the Program. At present, North Carolina has 48 per cent of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina, 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

MILITARY PERSONNEL MINISTRIES

The Military Personnel Ministries, now in its fifth year of existence is a joint endeavor of the Home Mission Board and the Baptist State Convention of North Carolina.

Because of very inadequate facilities, the office was moved to a new location, now being located in the New River Shopping Center at 236 New River Drive. Open House was held on Sunday, January 16 and was well attended.

The new year also saw the beginnings of our Japanese work in the Camp Lejeune area. The first class was begun in the Brookwood Baptist Church, Jacksonville. Classes have also come into existence and are bearing much fruit in the Military Ministries Office and the Swansboro First Baptist Church. The work continues to grow and reach girls in the Cherry Point and Fort Bragg areas. Through these classes, 20 girls have been added to the churches by baptism and 3 by letter.

With all of the traveling done by our Japanese Missionaries, we had recognized for some time their need for more adequate transportation. Through the efforts and financial means provided by area churches, Southeastern Baptist Theological Seminary, and the Baptist State Convention, this need was met and on February 26, Dr. E.L. Spivey, Director of the Division of Missions presented the keys of a 1966 Volkswagen to Rev. and Mrs. Takashi Yoshizu in ceremonies held at the Cherry Point Baptist Church.

Many activities kept us busy during the brief summer months including Mission Vacation Bible Schools and area surveys. Fifteen such surveys were made whereby we discovered as prospects and our responsibilities some 70 families. Some of these have already been reached and enlisted by local churches.

A highlight of the summer's work was the Special Mission Emphasis Week engaged in by the Brookwood Church, Jacksonville and the First Baptist Church, Bladenboro. In this combination project of doing and learning missions, their youth conducted two Mission Bible Schools in the mornings, through guided tours saw the sprawling highly-military concentrated area in the afternoons, and then each evening came together for worship, instruction, fellowship, and recreation.

On the morning of the 12th of September, the Yoshizus boarded the plane for their

return trip to their native country of Japan. This leaves us with added responsibility in carrying on an effective ministry to the many Japanese girls who are located in our state.

Statistics do help to tell the story and so we submit from our records the following for the year which ends September 1966:

Days on field 292
Miles traveled 26,264
Churches visited 92
Missions visited 17
Sermons and Addresses 110
Prayer Meetings conducted 18
Ordination Services Attended 1
Revivals Conducted 2
Soul-winning Visits 178
Other Religious Visits 833
Bibles and Portions Distributed 198
Tracts and Literature Distributed 2250
Schools of Missions 2
Conferences with individuals 258
Conferences with groups or committees 157
Professions of faith 66
Additions by letter 52
Decisions for special service 4
Surveys 17

The year 1965-66 has been filled with awesome responsibilities but with joyful fruits for our labor. God has blessed in ways beyond our greatest expectations and for all that has been accomplished, we give Him glad and thankful praise. There are many people to whom we owe a debt of gratitude and take this opportunity to express our appreciation -- to Rev. Tom Womble and the Bladenboro Church, Rev. Billy Mobley and the Brookwood Church, Rev. Jim Baucom and the Swansboro Church, each of the missionaries and pastors in the four military areas, and special thanks to Dr. E.L. Spivey, our Director of the Division of Missions without whose enthusiasm, encouragement and leadership much of this would have been impossible. That God will continue to work in and through each of us is our prayer for Jesus' sake.

Respectfully submitted,
J. Ned Beatty

COOPERATIVE PROGRAM REPORT FOR ANNUAL ASSOCIATION - 1966

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the

gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our association gave a total of $68449.00 this past year through the Cooperative Program. Three churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs.
3. That the churches give regularly through the Cooperative Program.

AUDITOR'S REPORT

This is to certify that the Atlantic Baptist Association's books were audited and in balance on October 4, 1966 by Lacy Stone and G.R. Burnham. We commend Mr. R.N. Scott, treasurer, for a good job and thank him for his loyalty.

Respectfully submitted,
Lacy Stone G.R. Burnham

REPORT ON HUGGINS MEMORIAL BAPTIST CHAPEL

Many hundreds of North Carolina Baptist churches started as missions. Some were missions sponsored by churches for a very few years, and others were sponsored for longer periods. Probably most of these missions were aided financially by the Division of Missions of our Baptist State Convention. Huggins Memorial Baptist Chapel of Harker's Island is no exception.

According to the information received, Huggins Memorial held its first worship service in August of 1952, and Charles M. Davis of Davis, N.C., preached. Rev. M.R. Haire was pastor of Davis Baptist Church when the mission was started, and the Davis Baptist Church became its sponsor. Several members of the sponsoring church have helped greatly in the progress of the mission through the intervening years, and a number of preachers have served Huggins Memorial.

The mission continued to meet in a residence until a church building was erected during the time Rev. Garner was pastor of Davis Baptist Church. Among the most faithful of helpers from Davis over the years have been Mr. and Mrs. Joe Davis and Mr. and Mrs. Billy Pake. The lives and efforts of these people have blessed the mission.

Since March of this year I have served as Interim Pastor. The enrollment in Sunday school is 64, and the mission membership is 30, with the average attending Sunday school larger than the membership of the mission. The Vacation Bible School was successful, the children enthusiastic, and the workers faithful and willing.

With the loyal effort of those who care and God's continuing grace, Huggins Memorial Baptist Chapel may indeed be a worthy witness of the Lord Jesus Christ.

Respectfully submitted, R.T. Willis, Jr.

REPORT OF NORTH CAROLINA BAPTIST COLLEGES

TRAINING OF CHURCH-RELATED VOCATIONAL WORKERS

As of now, approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in the North Carolina Baptist colleges. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others.

COOPERATIVE PROGRAM FUNDS BUDGET TO NORTH CAROLINA BAPTIST COLLEGES

Council Operations		$ 29,600
Campbell College	$225,850	
Chowan College	135,240	
Gardner-Webb College	128,478	
Mars Hill College	194,746	
Meredith College	194,746	
Wake Forest College	331,338	
Wingate College	142,002	1,352,400
Grand Total		$1,382,000

The above figures represent the Cooperative Program income budget for the Council on Christian Education and the seven North Carolina Baptist colleges for 1966. In addition to this, each college will share in an anticipated Cooperative Program overage of approximately $120,000. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endowment in excess of $35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. The Cooperative Program has been called the lifeline for the North Carolina Baptist Colleges. An advance for the Cooperative Program is always an advance for Christian higher education.

CHRISTIAN EDUCATION DAY

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day, in June. There are two objectives in observing Christian Education Day: to afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist colleges to the denomination; to provide an opportunity to make an offering over and above the regular Cooperative Program giving. This offering now amounts to more than $100,000 and could very easily go to $200,000 with the cooperation of our Baptist churches. We urge every church to observe Christian Education Day in 1967.

TWO NEW PRESIDENTS ELECTED

Two fine Christian men, both of whom have served as deacons in Baptist churches, have been elected to head Mars Hill and Meredith Colleges. Both of these men possess the highest Christian and educational qualifications. Dr. Fred Bentley, formerly dean of the College of Arts and Sciences, University of Louisville, is the new president at Mars Hill College, and Dr. Bruce Heilman, formerly vice president of Peabody College, is the new president of Meredith College.

A special committee is at work at Campbell College to recommend Dr. Leslie Campbell's successor.

EMPHASIS ON CHRISTIAN VOCATIONAL WORKERS

The Council on Christian Education, at the July meeting on the campus of Chowan College, voted unanimously to engage in a special study on the Christian vocational worker.

Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphases of this study will be: (1) The most effective way that the Baptist colleges, the State Convention, and the local churches can join hands in enlisting more young people for the Christian ministry. (2) How more financial assistance can be made available to these students.

BAPTIST EDUCATION STUDY TASK

The Baptist Education Study Task, under the leadership of Dr. Rabun L. Brantley, executive secretary of the Education Commission, and Dr. Albert McClellan, program director of the Executive Committee of the Southern Baptist Convention, will complete its work at the second national conference on Southern Baptist Christian higher education, to be held in June 1967, Nashville, Tennessee.

Three regional seminars will be conducted again in North Carolina in 1967. They will be held in the Raleigh area, the Winston-Salem area, and the Asheville area. Accreditation, its meaning and necessity, will be one of the central themes of the seminars this year.

Seven areas related to Christian higher education are being studied: the philosophy of Christian Education, academic scope, religious scope, the Christian college teacher, financing Christian higher education, college-denominational relationships, academic freedom, and academic responsibility.

Following the June conference in Nashville, the Findings Committee is expected to make its final report.

Respectfully submitted,
James E. Baucom

SUNDAY SCHOOL REPORT

The Sunday Schools of the Atlantic Association churches faced the past year with a decrease in Sunday School enrollment. As the associational year ends, we hope to see an increase in enrollment; however, we desire even more to see an increase in attendance and in the quality of Bible teaching.

In an effort to help meet the needs of the churches during the past year, 1965-1966, your associational Sunday school leadership offered three programs.

(1) Vacation Bible School Clinics were held on April 5, 1966, at First Church, Morehead City, and on May 17, 1966, at First Church, New Bern.

(2) A Sunday School Clinic was held, May 30, 1966, at Tabernacle Church, New Bern.

(3) A Sunday School Leadership Institute was held September 26-30, 1966. Meetings by age groups were held nightly, Monday through Thursday, at First Church,

Beaufort, and at First Church, New Bern, with leaders from the Sunday School Department, Baptist State Convention of N.C. Two hundred ninety-six workers from 24 of our churches enrolled with an average nightly attendance of 223. Keener Pharr from the Sunday School Board, Nashville, Tennessee, spoke at a Leadership Banquet, September 30 at West Havelock Elementary School with 153 attending. We are indeed grateful to the people of our association for the fine response to the meeting.

Associational Sunday School Officers for 1966-67 are enlisted and plans are being made to help the churches to fulfill their mission "through Education." Our primary concern is to help your Sunday school in areas where you have particular need.

Therefore, during the new associational year, your Sunday school leaders are taking a new approach. Rather than promoting several central or large group meetings, we want to come to you. We want to devote one night a month to come to your church or to your immediate area where we can, in a workshop situation, help your teachers and officers to learn how to better do their job and use their facilities and equipment.

Please contact your Associational Sunday School Superintendent if you would like our workers to come to your church.

Tom M. Jones

TRAINING UNION REPORT

Training Union "M" Night was held December 6, 1965 at First Baptist Church, Havelock. The greatest percent Attendance Banner and the greatest Attendance Banner were both won by the Pollocksville Baptist Church. About one hundred ninety-five of our membership attended to start off the Training Union program for the year. A most challenging personal witnessing film featuring Mr. Greg Walcott of the motion picture and television industry called attention to the Convention theme for the year.

Associational Youth Night, March 19, was held at First Baptist Church, New Bern as the associational feature of Youth Week. Ten young people from several churches of the association conducted the meeting which contained two major features: First a special science motion picture illustrating the wonderful way in which God has designed this world and created the many wonderful creatures he placed here; Secondly, an inspiring message from Lieutenant Allen Craven, Chaplain USN, who had just returned from Viet Nam, a first hand discussion of the religious situation in this war-torn country and the non-Christian peoples there. One hundred forty-nine youth and their leaders attended the meeting from sixteen churches of the Association.

Newport Baptist Church was host to the Associational Training Union Tournaments on April 15. Twelve Juniors and one Young People's Speaker participated in the Tournaments.

The Atlantic Association was host to the Region II Training Union Convention on April 25, meeting at First Baptist, New Bern. Approximately one hundred thirty members from Region II attended the age-group training conferences and the tournament presentation.

Your Associational Director was unable to attend the summer training assembly at Caswell or Ridgecrest, however he was privileged to attend the State Associational Offficer's Conference at Winston-Salem on August 26 and the Area Training Union Conference led by Stanley Howell at Greenville on September 26.

The Training Union sponsored an After High School--What? conference for all young people ages sixteen through twenty on August 27 at Cherry Point Baptist Church. This conference is designed to help guide our youth as they prepare to leave home upon completion of their high school phase of life, to bring them in close contact with Christian lay leaders who can bring them face to face with living the Christian life no matter where they may go. Baptist Student Union members and leaders and

Associational laymen participated and conducted the conferences. A light supper was enjoyed by the thirty-five attendees during the five hour conference.

Associational "M" Night will be held December 5, 1966, Morehead City, First.

WOMAN'S MISSIONARY UNION REPORT

Of the thirty-two churches in the Atlantic Association, there are twenty-eight with WMU organizations. There are 29 WMS organizations with well over one thousand members. There are four YWA's with about fifty members. Eight churches have fifteen organizations of GA's with two hundred fifty members; nineteen churches have thirty-five Sunbeam organizations with nearly four hundred members. At least we hope that is a true picture but as of October 10 when this report is due, the associational president had received reports from only twelve churches.

During this year of "Proclamation and Witness" the Associational Executive Committee has had four very successful meetings. The Annual meeting was held in New Bern First Church with a very good attendance. The missionary, Mr. W.O. Hearn from Jordan, and Miss Katherine Bullard from the North Carolina WMU Office impressed upon us the need of missions from the home churches to the uttermost parts of the earth, even back to the place of the origin of Christianity.

Your associational president and several of the executive board members attended the WMU State Convention in Raleigh. They also attended the WMU Leadership Clinic at Campbell College, and held an associational Leadership Clinic at Havelock First Baptist Church September 15. This was very well attended.

Due to the lack of Associational Director for YWA's, GA's, and Sunbeams, we were unable to have a GA Camp this year, but now that we do have directors for all of these, we are looking forward to our continuing task of educating for world missions among our youth.

Most of the WMS organizations held prayer retreats but due to illness in the home of our Prayer Chairman, Mrs. John E. Lashley, she was unable to hold one for the Association. Instead she asked Mrs. H.A. Privette to give a report on her work among the Japanese women in a special afternoon session at the Leadership Clinic. We made a donation of $50.00 to help with this work.

The WMU also gave $50.00 toward purchase of a mimeograph machine for the Associational Missionaries office. We are looking forward to a Service Man's Center at Cherry Point.

Many of our churches are participating in the Spiritual Growth program and with a full slate of officers, Woman's Missionary Union in the Atlantic Association is looking forward to working closely with all other church organizations in "Educating for World Missions" and a new meaning in our watchword, "Laborers Together with God."

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
1966

Sons and daughters of the Baptist Children's Homes of North Carolina are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. A good degree of progress has been realized in

working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. Last year's Thanksgiving offering from the Atlantic Association totalled $2,157.68. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the name of the Lord Jesus Christ.

Mrs. George H. McNeill

EXECUTIVE COMMITTEE REPORT

God has seen fit to bless in many ways the work of the Atlantic Baptist Association during the past year. The scheduled meetings of the Executive Committee have been held and a wonderful spirit has prevailed. Although several of our churches have been without an undershepherd, even the members of the committee from these churches have seen fit to attend the meetings and to participate. Our thanks to all of the members, and especially to a well-informed and deeply concerned missionary who has given us guidance and encouragement.

We are a widely scattered association of churches, thus making the work more difficult than the average association, but the work has moved steadily along during 1965-66. It is felt that with each passing month we are becoming better organized and better equipped to carry on in the great work which the Master has given unto us.

A challenge goes out again to each church to continually seek a better church-pastoral relationship; the situation having improved and more of our people not only realizing the need but seeking to meet the needs in this particular area. Consequently, we are getting well-qualified men of God to come into our association and fellowship.

May we ever seek to become better indoctrinated Christians, thereby being abler to withstand "every wind of doctrine." We are grateful to the great denomination of which we are a part for ever endeavoring to make available to us excellent literature for use in the varied phases of the program in the local churches. The new life and Work Curriculum series, to be sure, is a strengthening tie, to say the least.

"Wherefore..., brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord." II Corinthians 15:58. May the people of our churches realize that the work of the association will be only as strong as the local church seeks to make it. Always feel free to call upon the Executive Committee and moderator when we can be of help.

Respectfully presented,
John Worth Long

REPORT OF THE ASSOCIATIONAL MISSIONARY

The year 1966 has been a good year in Associational Missions. The churches are responding more and more to the associational mission work. The missionary has purposefully refrained from an "Associational Mission Program" per se, and has

served the churches at their request. There is no program except as the churches feel the need and when this happens, no stone is left unturned to try and meet these needs.

The mutual trust and fellowship among pastors and other church leaders is the highest. In fact this is so manifest that wherever I go remarks are directed to me about this relationship. The fellowship of the churches is a wonderful example of Christian love. With few exceptions there exists a wonderful fellowship among the churches. The larger churches are extending a hand of assistance to the smaller and weaker churches in a spirit of "Christian love and concern" and those to whom this is extended are accepting it in this spirit. There is a spiritual glow among the people and churches in the association that would be hard to duplicate. This is important and every effort should be made to guard and preserve this attitude.

I have worked with pulpit committees at their request time and again. At this time four churches are without pastors; one is in the process of calling a pastor now. We are so happy and pleased with the type and caliber of men coming to our association. Heretofore, pastorates have been short. This is bad for churches and pastors. It is especially bad for associational work. Often important and key men are lost from important committees and from important positions of leadership. Churches should study closely the pastor-church relationship and try to keep pastors. Inadequate financial support of pastors is one of the big problems in Eastern Associations. Lay people should be encouraged to serve in places of associational leadership and on associational committees. It is said, "Pastors come and go but deacons go on forever." Places of leadership filled by lay people would greatly strengthen our work and provide a continuous leadership as well as spiritual growth among our churches.

The association as a whole is becoming conscious of the rich mission field around us. We are seeing perhaps for the first time the military with its almost limitless potential. A side line to the military is the Japanese and other nationals among us. Work is progressing in this area as our people become more aware of it. The missionary and Mrs. Privette are being asked constantly to present this work to church organizations and even to other groups. Herein lies a rich ministry.

All in all we believe our churches are catching the real meaning of the Great Commission. Jesus taught in no uncertain terms that we are to begin at home (Jerusalem). Too long we have been farsighted and failed to see the opportunities at our door. We sometimes cannot see the forest for the trees. We need badly to expand our Japanese work. Service Men's Centers to help reach the unmarried enlisted military men is one of the greatest needs in our missions work today. This involves not only associational missions but state and home missions. These latter agencies will not see this until the local churches and association first see it and begin to do something about it.

The missionary has continued to enjoy a wonderful relationship with the churches and their pastors and works with them in whatever capacity he can at their invitation. During the past year he preached or spoke in the churches 163 times and made 26 visits to churches in which he took no active part aside from public prayer. He attended 1,317 meetings and personal conferences, including 73 groups conferences and committee meetings, 988 personal conferences with individuals and 256 other meetings. One hundred sixty-seven individual office appointments were kept and 673 outside the office with individuals; 697 church related appointments and 509 related to associational work were kept. One hundred and one were of personal nature or otherwise related to the Kingdom progress. There were 1473 personal conferences by phone.

In doing this work for the association, the missionary worked 3,315 hours or an average of 63.7 hours per week, drove 23,830 miles in related associational work, logged 15 hours flying time in associational work, mailed 19,152 pieces of mail for the office, held 3 revivals, taught 3 study courses, conducted 2 Vacation Bible Schools,

one wedding, one funeral, and participated in one ordination service.

It has been a good year and 1967 can even be a better one.

ASSOCIATIONAL REPORT FOR VACATION BIBLE SCHOOL

Three Vacation Bible School clinics were held this year. The clinics were held in First Baptist of Morehead City, First Baptist of New Bern, and the Negro clinic was at Green Hill Baptist Church of Bayboro.

The clinics had an attendance of 89 in Morehead City, 38 in New Bern, and 65 in Bayboro. The total participation was 192. The clinic leaders were all trained at the annual conference at Wingate college. We had 28 churches participating in Vacation Bible school with 3,766 pupils involved in the study. The following church is to be commended for Standard work: First Baptist of Cherry Point.

There were 85 intermediates and juniors won to Christ in the dedication services in the local churches.

There will be three conferences again this year. The Eastern clinic will be held on March 20 at Parkview Baptist Church in Morehead City. The Western clinic will be on March 21 at National Avenue Baptist Church in New Bern. The Negro clinic date and place will be announced later in the spring.

The clinic leaders for this coming year of 1967 are: Nursery-Rev. Al Andrews of Pollocksville; Beginner-Mr. Larry Overton of Swansboro; Primary-Mrs. Ben Riggs, of Morehead City; Junior-Mrs. J.C. Sherrill, Jr., of Morehead City; Intermediate-Rev. E.H. Sessoms (Parkview) of Morehead City; and General Conference-Mr. Dan Page of Morehead City, First.

These leaders request your cooperation in producing better attendance and better workers for Vacation Bible School in 1967.

SEMINARY EXTENSION REPORT

Education is sometimes costly. The lack of it may be equally so. "Upgrading Through Education" was the subject of an address by Glenn E. Holmes at the National Conference on Adult Education. The following is a quote from his address:

"The American school might be likened to a flowing stream where everyone joined the current at one and only one, starting point and continued to his destination or landing dock, namely graduation. If he failed to continue with the current he became a drop out. What he received or failed to receive in the school was irreparable because youth passed this way but once ' and nothing could be done by the school to remove any deficiencies after he had left the school."

"In terms of chronological age, we do pass this way but once. But now adult education offers a lift to us on our journey. To those who missed the stream, adult education furnished basic or original training in the fundamentals; to those who struggled in the stream, remedial training, and to those who were fortunate enough to graduate, continuing education which provides embellishment of many kinds."

Last year in September in the Atlantic Association, Seminary Extension courses were held in New Bern with Rev. John W. Long and Rev. Chas. Midkiff as teachers and in Morehead City with Rev. Corbin Cooper and Rev. James Baucom as teachers. Religious Education and Old Testament were the courses taught. There were thirty-five enrolled and twenty-eight received awards.

One lady in our association from Pollocksville is now enrolled in a seminary extension correspondence course.

At this time the Atlantic Association needs a Seminary Extension Director to promote this work and to keep our people informed as to courses to help them in their work. We also need qualified teachers to teach some courses. Let your associational missionary know if you are interested in taking some of these courses. It is necessary to have only ten to make up a class.

MISSIONS COMMITTEE REPORT

The Ministry of Associational Missions is a most important part of the Baptist World Mission program. In its efforts to establish, unify, and undergird local churches, the Associational Missions Program is invaluable in helping church members obey the command of Christ and "go into all the world."

The Missions Committee, ever conscious of world-wide needs, would remind messengers that within the bounds of the Association there are mission fields, when reached with the gospel, that will ultimately touch the ends of the earth. Specifically these fields are among the military and the Japanese. Your committee commends the Missionary and local churches who have joined him in programs to reach these

two areas for God. It further reminds the messengers that we need to intensify our ministry in these fields.

Your committee suggests that the local congregations take seriously the following recommendations:

1. That the Associational Missionary be used in any capacity that will help the local church strengthen its program of outreach.
2. That each church strive to increase its financial support to the Associational program.
3. That we encourage and support the Associational Missionary, as he works with the Missions Committee, by cooperating with him and the Executive Committee in bringing to fruition those projected programs which can bring glory to God through the advancement of His Kingdom.

Fred A. Mauney

REPORT ON JAPANESE MINISTRY

The missionaries from the foreign fields come back on furlough and share with us the wonderful personal experiences they have had in far away places. Dressed in the robes and dresses of the natives in foreign countries and showing us the momentos and art of these countries it is fairly easy for them to entrance us and weave around us a webb of romance and adventure that appeals to us. They share with us these experiences that stir us, move us to give to the mission enterprises and inspire many to give their own lives in personal service.

Could these things happen in North Carolina? Could they happen in the Atlantic Association? Could you even find an individual who had never heard the story of Jesus, to say nothing of even His name? It Could! It has and does happen almost daily.

The Military is the one single largest industry in North Carolina. In Jacksonville, North Carolina, the largest Marine Base in the world is located. In Havelock, the Cherry Point Marine Air Station is the largest Marine air base in the world. The Cherry Point Air Station has the largest overhaul and repair station in the world. In North Carolina, one person in ten earns their livelihood directly from the Military.

A side effect of the military is the large number of foreign nationals, women in particular, who have married military men serving in foreign countries and have been brought back to Eastern North Carolina to live. Largest among this group are the Japanese. It is estimated that at least 13,000 people live in these three military installations that are directly related to the Japanese Nationals. There is no way of knowing how many are actually Japanese. Many have come from Okinawa and the other Japanese related islands. Most of these came to this country with no or very little knowledge of the English language. They are not able to shop in the stores, order groceries, communicate with neighbors, to obtain drivers license, or to hear the gospel message in an understandable fashion. Many of the husbands are gone much of the time and with few exceptions they get very little help from them when they are at home. Many and tragic are the cases of neglect and infidelity. Were it not for the strict observance of the military personnel over such matters, it would be more tragic and sorrowful. They are indeed a strange people in a strange land and the often heard lament made with bowed head through tears is, "I want to go home." Home for them is far away and for many there is no home. A Japanese woman marrying an American man can only be compared with a white woman in our country marrying a man of another race. Especially the children are outcasts and ostracized.

When one can communicate, can be accepted by these women, when they can know they are loved they respond with a warmth and an appreciation that is a delight. There is no opposition to the gospel here. No arguments, no barriers. To hearts that are hungry and starved for love, there is a ready response to the love of God. The

only requirement is that it be told, over and over again.

How many of us who do witness to the love of God in Christ have ever talked to a person who never even heard the story of Jesus Christ? One tells this story of a God who loved the world enough that He gave His only Son to become a man. In due season He was born into the human race. He grew up as a young man and lived among us. A God in human flesh! He gave his entire life over to doing good and at any time never hurt anyone or did a wrong thing. Finally, the world could stand Him no longer and at the age of thirty three years some cruel men who appeared to be religious took Him and raised up false witnesses who caused Him to be executed. He was nailed on a cross and buried in a borrowed tomb. But this was not the end. God raised Him up. In three days some of His friends went to the tomb and found it empty. An angel at the tomb informed them that He had risen from the dead. After forty days among His friends one day He took them out on a small mountain and before their eyes He was raised to heaven to be with His Father but left them with a promise that one day He would return and take back to heaven all those who had believed in Him and had turned from their sins and by faith had trusted Him as personal Saviour. When one looks at this story it is utterly fantastic. Who would or could believe such a tale, especially in a modern day such as we live in. Yet, it did happen. It is true and these Japanese people accept it and believe it. Their lives are changed by it. In it, they find an acceptance, a love and understanding their hearts so hungrily long for.

Here is a great harvest. Only a few are working in it. The work among the Japanese was started approximately twelve years ago by a woman who had spent some time in Hawaii and felt the burden for them. She was Mrs. Betty Hunley who was at that time a member of the Cherry Point Church in Havelock. A Bible class was started at the Cherry Point Church of which Dr. W.W. Hamilton was pastor. The work went slowly and it was discouraging. Several Japanese nationalist ministers who were studying in this country helped. One of the great problems was the itinerant nature of the military. The tenure in one place runs from six months to seldom over three years. Some have been won to Christ one week and on their way to other bases in another week. New ones constantly come in and the whole process must be repeated. There is never a dull or monotonous moment.

Other harvesters are at work. The mighty Sokagakkai movement has claimed and is still claiming many, many of these women and their families for the Devil. This movement started in Japan in 1930 and had as its beginning Creation-Education society aim. It is a branch from Buddhism and in 1957 claimed 3,000,000 families in Japan and America. It is a very militant, evangelistic, anti-God, anti-Christ, anti-Church religion. This appeals to the Japanese who have a way of selecting what they want from one or several religions and rejecting that which does not appeal to them in any of them. They cannot understand why they cannot be a Believer and a member of the Sokagakkai at the same time.

Immediate needs in this ministry of the Japanese are first of all workers. These ladies need to be taught the English language. They need instruction in homemaking and home economics. They need to be taught to drive so that they can be more self-sufficient. Many cannot even get to the grocery store, doctor, or church because of a lack of transportation. They need to be taught courses in citizenship so they can become naturalized citizens of this country. There are many more needs. Indeed the "harvest is plenteous but the laborers are few."

EVANGELISM COMMITTEE REPORT

Churches in the North Carolina Baptist State Convention reported 27,572 baptisms in 1965. This indicated a loss of 2,128 baptisms from the 1964 report of 29,700 baptisms. The churches of the Atlantic Association reported 257 baptisms in 1964 and 281 during 1965, a gain of 24. The ratio of baptisms to membership for the Southern Baptist Convention in 1965 was 1 to 29.8. In the Atlantic Association it was 1 to 32.7. This year our churches reported 209 baptisms, or 72 less than in 1965. The ratio of baptism to membership in the Association was 1 to 43 for 1965-66. Although some of the churches of the Association report more baptisms in 1966 than in 1965, most of them are reporting less and many report none at all. To aid in overcoming this, every church is urged to question their concern for the lost and examine their own evangelistic program.

Every church is encouraged to develop a program of evangelism that will fit its own particular need. In doing this it should give special consideration to the Sunday School as a means of outreach as approximately 90% of all persons baptized are previously enrolled in Sunday School. Also, in developing an evangelistic program each church should strive for at least one revival per year and work toward a program of training for church members to be soul-winners.

Materials and aids available for helping churches in their program of evangelism may be obtained by writing the Division of Evangelism, Baptist State Convention, Raleigh, N.C.

Marvin D. Hays

REPORT ON AURORA

The Aurora Church can make a report of considerable progress in the unique ministry and challenge which is present here. We make this report fully aware that the figures and statistics in no wise indicate the total value of the ministry, nor do they indicate the greatest value.

Among the achievements this Church year:

1. A survey conducted under the direction of Rev. Ted Williams from the Raleigh Office and with the assistance of the New Bern Brotherhoods.
2. The Church has oversubscribed the budget.
3. The Church has oversubscribed on most all the special offerings for missions.
4. The Church has located a suitable site for future expansion.
5. The Church has with limited facilities offered opportunity of worship to literally hundreds of Baptists who are among the transient construction workers.

We feel that our greatest opportunity was the ministry to the construction workers, and we are grateful to the Baptist State Convention and the Atlantic Baptist Association for their support in all phases of the work here.

The condition at Aurora is still one of great change and we cannot tell what the future will bring exactly, but we know that with the continued support and prayers of our fellow Baptists great things can be done for our Lord.

Respectfully submitted,
Lawrence B. Lutz, Pastor

OBITUARY REPORT

Since we last met as an association there are 65 missing from our number. Most would say they have died, but as Christians we know that only their physical bodies have died but their Spirit lives on with Christ today and will forever.

The greatest question of the Centuries has been if a man die shall he live again? Men have speculated about the future life, they have analyzed the Pros and Cons of it, they have argued about it, and imagined all sorts of thing concerning it-they grasped at every shred of evidence that points to the possibility of a life here-after when all the time the answer has been given to us in both the Old Testament and the New Testament that there is life after death. Jesus Christ himself has fully and completely answered that question for us in John 11:25-26. He says, "I am the resurrection and the life: He that believeth in me, though he were dead yet shall he live: and who-so-ever liveth and believeth in me shall never die." Again, he says, "Because I live, ye shall live also." (John 14-19)

We need have no fear of death for it is only a passage way through which each of us must pass, it is only the door that wakes the spirit to ever-lasting life with Christ.

We sorrow for our loved ones who have gone to be with the Lord, because we are human, and weak and sometimes very selfish. In our loneliness we wish we might have them back with us regardless of their welfare. Sometimes we long to say some loving word we failed to say when they were with us, and even sometimes perhaps we would like so much to confess our neglect and ill treatment and ask their forgiveness. Would we if it were possible call them back to a world filled with trouble, sorrow, and pain when they are with the Lord in a Place where there is no trouble, sorrow or pain, but constant joy and happiness?

We do well to remember our loved ones, their words, their deeds, their faith and constant witness, and as we remember them in love, let us also remember their Lord and our Lord and that one day we shall all be together again.

1967 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrine and polity?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian Literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way to get ALL this information into the homes of your members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4¢ a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the CHARLOTTE OBSERVER, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both Sunday school lessons--the Uniform Lessons and the Life and Work Curriculum lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

CHRISTIAN EDUCATION REPORT

Southern Baptists now operate 39 senior colleges or universities, 15 junior colleges, 7 academies, 4 Bible schools, 6 seminaries and the American Baptist Theological Seminary, which is supported jointly with National Baptist Convention, U.S.A., Incorporated.

Baptist schools have enrolled a record number of students, totaling 102,250 for 1966-67. Graduates from the 72 schools from September 1965 to August 1966 totaled 12,604.

State Conventions and the Southern Baptist Convention gifts to the schools for the year increased $1,347633 or $19,159,762 compared to $17,812,129 in 1965-66. In addition, the schools received $17,768,288 in other gifts, grants, and donations, or a decrease of $2,736,843 over the preceding year. The total assets of Southern Baptist educational institutions are $539,143,236 of which $137,501,114 is for endowment.

The major problem facing the colleges is still a financial one. While tution and fees have doubled since 1940, Baptist contributions to the operating costs of its 54 colleges and universities have dropped from 26.1 percent of the total in 1954 to 16.6 percent in 1964.

The hard financial facts of life are forcing Baptists to re-evaluate their traditional opposition to federal aid. New approaches are being adopted by some state conventions. For example, the Kentucky Convention cut its ties to a college so that it could seek federal aid. Maryland Baptists have taken the same step to free a new junior college that has not even opened its doors.

Directly relating to the woes of the colleges, the Baptist Education Study Task (BEST) ended it's two-year investigation of the problems facing Baptist higher education. The BEST Findings Committee called for, among other things, clear statements of purpose for Christian education. Three other major areas of concern for Baptist higher education were emphasized:

...That there exists a communications gap between the colleges and the majority of the Baptist constituents, and something must be done to close this gap.

...That control of the institutions must be vested in the elected boards of trustees of the schools, and the 16 state conventions which own the schools must not seek to control them from the floor of the annual meeting.

...That Baptist schools face a financial crisis, and extraordinary efforts must be made to provide the necessary funds to meet the demands.

The Findings Committee, however, did not resolve the question of acceptance of federal aid being faced by the 54 Baptist colleges and universities throughout the nation.

Murray Neil Breland

EVANGELISM REPORT

Churches of the Baptist State Convention of N.C. reported 28,347 baptisms in 1966. This was a slight increase over the 27,572 reported in 1965. Although there has been an increase, the ratio of baptisms to membership remains far too high. The ratio for baptisms to membership in 1966 was as follows: Southern Baptist Convention 1:30.3; North Carolina 1:34.8; and the Atlantic Baptist Association 1:32.7. This past year the churches in our Association reported 294 baptisms, an increase of 53 over 1966. This represents a ratio of one baptism for every 33 members.

Our churches face a tremendous evangelistic challenge in the next few years. In view of the world situation and the population explosion, the churches must set themselves to the task of seeking and winning the lost. To help in rising to this challenge our churches have been led by one of our mission fields, Brazil, to participate in the Crusade of the Americas during 1968-70. Some of the challenges of the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14,

1968, and January 12,1969; PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service, December 31, 1968.

ATLANTIC ASSOCIATION EVANGELISM CLINIC: March 12,1968

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August 1968

NATION-WIDE VISITATION WITNESSING: September-November 1968

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11,1969

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970

Materials and aids on evangelism may be obtained by writing the Division of Evangelism, Baptist State Convention, Raleigh, N.C.

BAPTIST FOUNDATION REPORT FOR 1967

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our chairman, Dr. I.G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness several weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of long standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

SEMINARY EXTENSION REPORT

The loudest cry we hear from our churches today is one desperate plea for better trained leadership. The opportunity is now ours to train ourselves instead of waiting for others to become trained.

Such opportunity comes to us through the Seminary Extension Department. It is through this department that you can now enjoy the best in seminary off-campus study. This program is unitedly sponsored by all the Southern Baptist

Seminaries. The program is designed to develop leadership, provide instruction in Bible, doctrines, church history, religious education, and many other subjects that leads one to Christian maturity.

Ten persons are needed to begin a study. If you or your church is interested in supporting the leadership program of your church notify the Associational Seminary Extension Director.

Respectfully submitted,
Alfred E. Andrews, Jr.

REPORT ON COOPERATIVE PROGRAM

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925, many do not know what this plan is. The Question--What is the Cooperative Program?--is often heard.

The Answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad--it's preaching the gospel--it's healing in the name of Jesus through hospitals and clinics everywhere--it is teaching and training Christian leaders for all the great task of Kingdom endeavor.

Last year North Carolina Baptist gave $5,787,311 through the Cooperative Program. Supplementing this with special offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes. Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $75,166 during the last year for World Missions through the Cooperative Program.

Respectfully submitted,
Alfred E. Andrews, Jr.

MILITARY MINISTRIES REPORT

The Military Ministries is a ministry of the Division of Missions, Baptist State Convention of North Carolina and the Chaplains' Commission of the Southern Baptist Convention's Home Mission Board. The work is closely coordinated with the Military Chaplaincy, Superintendents of Missions of the local associations, and the local churches and pastors as we seek together to provide a more effective ministry to the military and their dependents. This ministry, therefore, includes a great variety of services to be rendered and activities in which to be engaged.

Among the military dependents are many wives of distant lands who have brought with them foreign backgrounds and religions. One of these which we encounter is the modern Buddhist movement, Sokagakkai. Last fall, we made a rather intensive study of this movement in North Carolina and presented programs in our churches concerning this and the Japanese ministry in which we are engaged.

A real highlight of the year's activities was our Statewide Japanese Fellowship which was held on February 17 at the Brookwood Church in Jacksonville. Some 150 Japanese wives, their husbands and children along with workers and invited guests attended from the Fayettville-Fort Bragg area, the Havelock-Cherry Point area, and the Jacksonville-Camp Lejeune area. Reverend Worth Grant, missionary to Japan, was our guest speaker.

During the year, our Japanese ministry has been expanded by beginning new classes at the Midville Church, Jacksonville and the First Baptist Church, Havelock.

A Language Missions Conference was held on August 31,1967 in Fayetteville.

Each of the four associations in military areas of the state was well represented along with Dr. Howard Ford, our Division Director and Dr. L.D. Wood of the Home Mission Board's Language Missions Department. Here, we shared together our common interest in this phase of our ministry, ideas and programs which have been helpful, and suggestions for the future that we believe was beneficial to each person present and I trust to the winning of many foreign-born military wives, husbands, and children.

In January, 1967 the First Baptist Church of Bladenboro, the Rev. Thomas C. Womble, pastor presented to the Baptist State Convention a 12' by 57' relocatable chapel to be used in military ministries. The chapel was custom built, furnished, and set up in the Pelletier Mobile Home Park, Jacksonville, North Carolina. The ministry was begun there on May 14 with formal dedicatory services being held on June 25, 1967. The dedicatory message was brought by the Rev. Gilmer Cross, president of the Convention's General Board and pastor of the First Baptist Church, Goldsboro. Special guests included Dr. Willis A. Brown, Associate Director, Military Ministries, Division of Chaplaincy, Home Mission Board; Major General and Mrs. J.O. Butcher, Commanding General Marine Corps Base, Camp Lejeune; Colonel and Mrs. James T. McDaniel, Commanding Officer Marine Corps Air Facility, New River; Rev. Thomas C. Womble and members of the First Baptist Church, Bladenboro; military chaplains and local pastors. During the summer months, a vigorous program of week-day activities was also provided with summer workers. Mr. and Mrs. Jerry McDaniel, being provided by the convention.

It was our joy and privilege to have Dr. Howard Ford, our new Director, Division of Missions to visit with us in each of our four major military areas during the month of February. We held conferences in each area with the Chaplains and pastors and called on the Commanding General at Marine Corps Air Station, Cherry Point and the Marine Corps Base, Camp Lejeune.

During the past year, a ministry to the Coast Guardsmen at Fort Macon was begun, with services being held by the Rev. Jack Weaver, pastor of the First Baptist Church, Morehead City.

In the military areas of North Carolina, we find a ripe mission field. As we have ministered in our churches this year, the Lord has blessed our labors with 81 professions of faith and 58 additions to the churches by letter. God is not only sending us out to the peoples of the world but through the military, He brings the peoples of the world to us. We are grateful to North Carolina Baptists for the opportunity of ministering to these persons in the name of our Lord.

Respectfully submitted,
J. Ned Beatty

REPORT OF THE CHRISTIAN ACTION LEAGUE

The Director of the League expresses his personal appreciation and that of the Executive Committee and the Trustees of the League for the wonderful support which you have given to us this past year.

In spite of everything that we could do, the 1967 General Assembly must be labelled as a "wet" Assembly. This is true largely because of the passage of the brown-bagging bill. They would not give the state two years to see how things would get along without brown-bagging. The legislators voted to see how we get along with brown-bagging. Already the fatality rate on the highways is climbing back towards what it was last year. It was considerably under last year's record while brown-bagging was outlawed. We must be ready two years from now to make some changes in this law, and you must elect the Senators and Representatives from your counties and districts who will be willing to make these changes for the better.

Our greatest victory in the Legislature was the defeat of Liquor-by-the-Drink. This bill was introduced in the Senate by Senator Herman Moore of Mocklenberg and was espoused highly by many of the "wets." In spite of the forces behind this bill it "died" in committee and there were many willing pallbearers. We must point out the fact this bill will be back in the 1969 General Assembly and its outcome will be decided by the men whom you elect to represent you in the 1969 Session. I plead with you to give some careful consideration now to the matter of who will be elected from your area.

Another victory was in the defeat of the bill which would have allowed towns of 1,000 population to call for an A.B.C. vote on petition of 25% of the voters. This bill passed the Senate, which seemed to have a penchant for liquor bills, but did not pass the House in a close vote of 50 against and forty in favor of the bill.

A number of cities were granted the privilege of calling A.B.C. elections, and since the Supreme Court decision favoring this practice, more of these bills can be expected at each session.

There is another phase of the League's program which I want you to know more about. We have an alcohol education program with speakers appearing in schools and churches and before other organizations. In another area of this type of work a new experiment was carried out this past year. It was felt that some type of material must be placed in the hands of the students and teachers. Two counties were chosen as pilot projects and a QUIZ BOOK-FUNDAMENTAL FACTS CONCERNING BEVERAGE ALCOHOL was chosen. Copies of this book were placed in the hands of those students who were studying the unit on ALCOHOL in Madison County and in all of the schools of Vanco County (including Henderson City Schools).

All of this was done without any cost to the schools or students involved. You can imagine something of the immensity of this undertaking, and what it would entail to do this on a state-wide basis. This is what we must do, if we are to make significant progress. We are anxiously awaiting the reports on the outcome of this project.

SUNDAY SCHOOL REPORT

The Rev. Tom Jones resigned his work in this Association to accept work in another Association. He had a full team of workers and work planned for the year. He did an excellent work the previous year and in planning for this past year.

After the resignation of the former superintendent, the executive committee elected the undersigned to assume the responsibility. The plans that had already been planned were taken and carried forth in part. A full team of Vacation Bible School workers attended the State Clinic at Wingate College with the Associational Missionary. A pastors and principals conference was held for Vacation Bible School at Cherry Point Baptist Church on February 21, 1967. The two Vacation Bible School clinics were held at Parkview Church in the East on March 20th and the National Avenue Church in the West on March 21st. A Vacation Bible School clinic with the Negroes of our associational area was well attended and led by our associational team. Two of the Negro leaders of our associational area attended the State meeting at Wingate College.

The Sunday School Workshops that had been planned were pursued, but not to the full extent. On May 22, 1967 a workshop was held at the Woodville Church for the churches in that area with most of the churches represented. On June 29, 1967 another workshop was held at the Bayboro Church with two churches of that area represented. We plan five area workshops for the 1967-68 year: October 10, 1967 at Trenton Church; November 21, at Peletier Church; January 16, 1968 at Temple Church; March 19, 1968 at Marshallberg Church; and May 21, at Bayboro Church.

The Pastors and Principals conference for Vacation Bible School is planned for February 20, 1968 at First Church, Havelock. The Associational Vacation Bible School Clinics are planned for March 25 at First Church, Swanboro and March 26 at Spring Garden Church.

Sunday School Action Night was held at First Baptist Church, Havelock with fifteen of our churches represented. Mr. Daryl Heath an Associational Consultant with the Baptist Sunday School Board was the inspirational speaker and our Associational Missionary, Rev. H.A. Privette, introduced and installed the team of workers.

We feel that we have some very capable workers on our team and will be anxious to assist you in any way possible. Call upon us for assistance.

Respectfully submitted,
E.H. Sessom

REPORT OF THE AUDITOR

This is to certify that I have examined the books and records of the Atlantic Baptist Association for the year beginning October 1, 1966 and closing September 30, 1967 and have found them to be in a satisfactory condition.

I would suggest that beginning with the new associational year that a more detailed record be kept of receipts and disbursements.

Signed,
Auditor, Lacy Stone

Dated this 17th day of October 1967

REPORT OF THE BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. At the Children's Homes we seek to provide the proper atmosphere, encouragement, and supervision to assure the development of inborn, God given talents of our children.

A total of 33 cottages on five campuses provide group care of different kinds including two residences for emotionally disturbed children, and a single cottage at Wallburg for the rehabilitation of boys.

In June of 1967 the first of the new family living cottages, the York Cottage, was completed and is being used by brothers and sisters, a model for the family living approach in group child care.

During the 1967-68 session the Child Development Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian program of Child Care.

Respectfully submitted,
Mrs. George H. McNeill

REPORT OF THE NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes for the Aging have been on the move during

the past year. In fact, we will be ready to move into our new home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albermarle Home at Albermarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents -- the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

Respectfully submitted,
William A. Poole
Superintendent

REPORT OF BROTHERHOOD

While we must admit the Brotherhood of the Atlantic Association has not been as active and accomplished as much as it should, let me say much good has been done and much interest has been manifested in the lives of the men, especially in the activities of the Royal Ambassadors Organization which is their first and foremost responsibility.

The year began with a very successful and inspirational Ladies Night at Newport School cafeteria on November 19th. Bob Shields, State Brotherhood President spoke and several men throughout the association participated in various ways to make that a grand success.

During April the State Baptist Mens Convention and Royal Ambassador Congress was held in Raleigh with many of the Atlantic Association men and boys in attendance. A wonderful program by pastors and laymen from across the state was presented and enjoyed by all those able to attend.

Then in May, the men and boys from the Atlantic Association gathered at the Newport Church for a cook out and general get-together. After a period of feasting, fellowship, and sports activity on the playground, a program for the boys and one for the men was held simultaneously in the church. This again proved to be very

successful and can only be measured by fruits it will bear in the future lives of Royal Ambassadors, who in a very few short years will be the laymen and pastors assuming responsibilities in our Southern Baptist Churches.

The Baptist Mens Day Programs, the assuming of responsiblity in leading cottage prayer meetings in preparation for revivals, and the general backing our Baptist men have given their pastors is to be commended.

Let us be grateful for all those who had a part in this great work this past year and do our utmost to encourage others to be more active this year so that the Gospel might be spread "through all the world."

Respectfully submitted,
Osborne Davis

REPORT ON WOMAN'S MISSIONARY UNION

There are 28 of the 32 churches and 2 missions in the Atlantic Baptist Association being represented by one or more of the WMU organizations. We are sure that good work is being accomplished in all of them; more, we hope that the reports we received would signify since on the dead-line date of October 10 only 13 churches had sent in their reports.

Judging from the reports received, there are 13 WMS with 539 members; 3YWA'S with 20 members; 9 churches with 15 GA's with 145 members; 6 churches with 12 Sunbeams with 167 members.

There were 3 of the youth organizations reaching Honor recognition, 3 reaching Advanced, and 8 being Approved.

The quarterly meetings of the Executive Board have been well attended and the fellowship enjoyed as we met in the homes of our members.

The annual meeting was held in the spring at First Baptist Church in Oriental with Bayboro WMS being co-hostesses. The theme "A Learning Fellowship" was used. Rev. W.T. Roberson, returned missionary from Viet Nam was the featured speaker and Miss Miriam Robinson, State WMU Executive Secretary represented the State Convention and spoke in the afternoon. Mrs. Marvin Hayes emphasized the activities of the three youth organizations. YWA's, GA's and Sunbeams, of our association. Mrs. Charles Fitzgerald reported for the 4 directors, Prayer, Stewardship, Mission Study, and Mission Action. Special music was provided by the Youth Choir of the Parkview Baptist Church in Morehead City. A highlight of the morning session was the sermon by Rev. Neil Breland, pastor of Spring Garden Church, in which he emphasized the need to educate our people to mission opportunities. The meeting was closed by an address by the associational missionary in which those present were challenged to look upon the fields that are white in the areas of our own association.

GA Day Camp was held at Albermarle Presbyterian Camp August 10 and 11 for Juniors. The theme was "Called and Committed" and there were 89 girls and counselors in attendance. Mrs. Marvin D. Hayes is GA Director. Those on program were: Mrs. A.H. Whitty, Rev. and Mrs. A.F. Butters, Mrs. H.A. Privette and a Japanese lady Mrs. Hermand Chase, Mrs. Chas. Fitzgerald, Mr. and Mrs. Mitchner, and Rev. Dan Page.

An Associational Prayer Retreat was held by the Prayer Chairman Mrs. John E. Lashley at the Cherry Point Church in September. It was well attended and very spiritually uplifting.

Your Executive Officers and Directors attended the State Leadership Clinic in Wilson in August. Two leadership conferences were then held in September; one in Trenton for a day meeting, and one in Marshallberg in the evening.

Mrs. Charles Fitzgerald, Mission Study Chairman, held two Leadership Con-

ferences in the spring. There were 51 ladies receiving their Cards of Accreditation. These were held at the First Baptist Church in Beaufort and Tabernacle in New Bern. In the summer months the WMU Concept Book, "The WMU Program of the Church" was taught four times, each time for the full six hours for Church Study Course Award Credit. Men and women both participated in this study with 49 receiving credit and 23 others not finishing the study. She has also taught several mission study books in may of our churches.

In measuring the work of WMU this year in which the theme has been, "A Church Fulfilling Its Mission Through Education," the leaders and members as they participated in missions have learned that LOVE is something you DO.

REPORT OF THE HICKORY POINT BAPTIST CHAPEL

The first item in this report must be that of a name change. We voted on Sunday October 15, in a called business meeting, to change the name of our church from "Isle Vue Baptist Mission" to the "Hickory Point Baptist Chapel." The change was necessary because we have moved from the Isle Vue Beach Community to our permanent location which is more centrally located.

We accepted delivery of our trailer on September 25th, and held the first service in it on October 1st. So far it is quite adequate. We have installed two curtains and with the partition that was installed at the factory we have four rooms for Sunday School. With the curtains open we have space for about forty-five people for assembly and worship services. We have done some work on the lot but there is much yet to be done.

We have 30 enrolled in Sunday School with an average attendance of 17. Attendance is better now consistantly then it was during the summer months and is improving. We have 14 church members (2 added on Oct. 15th). Church membership is held under the watch care of the Aurora Church.

All property requiring deed or title is held in trust by the trustees of the Atlantic Association. This property is a lot consisting of one-half acre, donated by Mr. and Mrs. Barney Hall. The new trailer was purchased by the Association at a cost of $2850.00, the cost to be shared by the Chapel and the Association on a half to half basis. The Baptist State Convention granted the Chapel $500.00 toward a building fund and the Chapel has paid $100.00 leaving a total amount due of $825.00.

The future of this work indeed looks promising. New families are moving into the community almost weekly. We have more prospects now than at any time since the work began. Plans for the future include a visitation program to start at once, and to take a religious census at least by early spring.

There is an excellent "spirit" among the people here, a feeling of enthusiasm. We are very optimistic and feel we will need more space before this time next year. We also hope to be able to provide this ourself with the help of the Lord.

We ask that you continue to pray for us as we pray together for God's will to be done in all we attempt to do.

Respectfully submitted,
Sherwood Allcox

REPORT ON HUGGINS MEMORIAL BAPTIST CHAPEL

Huggins Memorial Baptist Chapel, Harker's Island, has a Sunday School enrollment of sixty-four and a church membership of twenty-nine. Mrs. Bernice Jones,

one of the esteemed members, was claimed by death September 18, 1967.

Though small in enrollment and membership, Huggins Memorial is serving many people on the island in a worthwhile manner.

This mission held its first worship service in August, 1952, with Charles M. Davis of Davis preaching. Rev. M.R. Haire was pastor of Davis Baptist Church when the mission was started, and the Davis Baptist Church sponsored Huggins Memorial. Several of the Davis people have given freely of their time and talents through the years. Mr. and Mrs. Billy Pake are continuing their loyal and faithful services.

Huggins Memorial Baptist Chapel needs some one who will devote himself, his time, and talents to the work. Many people remain to be reached and committed to the unfinished work ahead. May the influence of this chapel continue to grow as the people strive to serve our Lord in the years before us.

Respectfully submitted,
R.T. Willis, Jr.

Note: Bro. Willis has resigned this work effective October 31, 1967.

TRAINING UNION REPORT

The Training Union Department began its year with "M" Night on December 5, 1966 at First Baptist Church, Morehead City. Two hundred fourteen members representing fourteen churches attended with the Greatest Attendance and Greatest Percent Attendance Banners both being won by First Church Morehead City with 57 present representing 56 percent of their membership. Two features of the program were the presentation of the drama "What Went Wrong?" -- a tape recorded pantomine about teaching the Bible to our children and a real Life and Work motion picture, "Prophet From Tekoa" with the challenges which Amos gave to the Israelites modernized for us.

Our Associational Youth Night was held March 18, 1967 as the highlight of Youth Week. The meeting at First Baptist, Beaufort was attended by 162 youth and their leaders from 12 churches. Eight young people from several churches of the association conducted the meeting which presented two major features: Rev. D.P. McFarland, Director of the Christian Action League of North Carolina, who gave an illustrated talk on "Alcohol and You," and a sermon-in-science motion picture "Time and Eternity" illustrating time as we understand it and time as God probably recognizes it. The meeting closed with a social hour given by the First Church Beaufort.

The Associational Training Union Tournaments were held March 17, 1967 at Newport Baptist Church. Nine Juniors representing two churches participated in the Junior Memory Work and two Young Peoples' Speakers participated in the Speaker's Tournament, one in the 17-18 and one in the 19-24 year age groups. All participants represented the Atlantic Association at the Region II Convention at First Baptist Church, Grifton, April 3, 1967. The Atlantic Association had 11 participants in the Tournaments, twice as many as any other Association of the Region. Approximately 137 members representing 24 churches, 32 representing 6 churches of the Atlantic Association attended the Convention.

The Training Union sponsored an After High School - What? conference on August 25, 1967 at First Baptist Church, Havelock. The conference was for high school Juniors and Seniors and others through age 21. Conferences led by responsible Christian leaders helped the students consider many problems related to living a Christian life as they move away from home. Mr. Randy Mishoe, recently appointed Baptist Chaplain at East Carolina University, brought the closing inspirational message to the conference.

Your Associational Director attended the Training Union Leadership Conference at Ridgecrest July 6-12, 1967 and the State Associational Officer's Briefing Meeting at Winston-Salem on 25 August, 1967.

Associational "M" Night will be held December 11, 1967.

Respectfully submitted,
Robert King, Jr.

REPORT OF ASSOCIATIONAL MISSIONARY

The present associational missionary is now in the fifth year of service to the Atlantic Baptist Association. These have been years of sound constructive progress. The association has come from "way down" in the cellar to one of the best associations in our Baptist State Convention. This has not been due to "outstanding leadership" or "superior programs" but due to the leadership of the Holy Spirit and the blessings of God upon His people in this realm of the Kingdom of God. We have today one of the best fellowships, one of the best attitudes of mutual trust and goodwill among our pastors and church leadership to be found. There is a wonderful manifestation of good will and cooperation among the churches. One evidence of this is that all but three of the churches contributed to the associational work last year and these were the smallest and weakest of the churches and definitely was not because of a lack of willingness, cooperation, or hostility. Many of the churches this year are increasing their gifts and support to the associational work. It is encouraging to see the associational officers taking a genuine interest in and manifesting a real concern for the churches. The associational Sunday School, under the leadership of Rev. Ed Sessom and its related step-child, the Vacation Bible School, under the supervision of Rev. Dan Page, have done a good work and evidence in planning for the future will even produce more profitable results. The Associational WMU has shown outstanding concern and under the leadership of Mrs. Larry Pate its program of MISSION ACTION will show even greater blessed results for Chirst's sake in the coming year. It is hoped that the Men's work, the Training Union, and the Music Ministry will likewise begin to develop into the potential of which they are capable and then meet the needs in these areas that are so prevalent.

The needs for MISSION ACTION are many. One has but to "lift up his eyes" and look but not look to high or too far. It is often the case that we cannot see the "forest for the trees." Mission needs are all about us. To name a few: 35 to 40 Mission VBS's would only touch the opportunities; we need at least 5 mission points where work should be begun, looking forward to churches in the future; we need a ministry to the sailors who come to the second largest port in the East Coast, and from which in the next year over 1,000 ships will dock, load, and unload and sail away for all points of the compass. There is a great need for an evangelistic work among the hundreds of migrants who flow through our area. We need a Juvenile Rehabilitation Program; Home Fellowships; Institutional Ministry; Military and Resort Ministries; only to name a few.

I have worked with all the churches as opportunity permitted and invitations were extended. In special areas I have worked with the Isle Vue Mission now the Hickory Point Baptist Chapel, and with churches without pastors, especially in areas of conflict and special need. Much time has been given to personal counseling and counseling with committees and groups desiring assistance.

Contacts with the Industrial Education Commission have led to securing a teacher to teach Japanese and other foreign nationals in the Cherry Point area English, Citizenship, and Driver's Education.

The associational Missionary has worked closely with all state, Southern denominational agencies and institutions to provide the churches with all the services

available to them through such channels. One such endeavor resulted in a Church Programming Seminar conducted by two consultants from the Church Administration Department of the Sunday School Board at Nashville. Other such seminars and conferences have been attended by the missionary with the aim in mind of bringing what help and aid to the churches that they were in need of and would use.

It has been a good year and the horizons are unlimited as long as "the people have a mind to work" (Nehemiah 4:6) and "whatsoever ye do, in word or deed, do it all in the name of the Lord Jesus, giving thanks to God ....." (Colossians 3:17) and as long as men do not clutter up the way by "loving to have preeminence." It would be amazing what could be done if we didn't care who gets the credit.

Respectfully submitted,
H.A. Privetto

REPORT OF EXECUTIVE COMMITTEE

Your Executive Committee, charged with the responsibility of acting for the Association between sessions, has met each quarter to transact such business as is necessary and to project those programs that will enable us to better do God's work.

What can well be the major accomplishment of the committee last year was the creation of a "Committee of Nine." Feeling the necessity of a depth study of our needs and suggestions on how they could best be met, the committee was appointed as a study group to report their findings and present recommendations. The work of the committee is not likely to be completed until the annual meeting in 1968.

An additional important action of the Executive Committee was its work with the Isle Vue Mission. Upon being informed of need for facilities to house those attending the mission, the Executive Committee approved a plan whereby the mission could secure either a loan or aid not to exceed $3,000 to purchase mobile facilities. A trailer purchased for $2,850 is now in use.

Your committee heard and approved requests from several churches and missions for aid from State Missions on purchases of lots and supplements to salaries of pastors. The ultimate dispositions of the requests, of course, will be handled by the General Board of the State Convention.

It is the feeling of your moderator that progressive actions were taken during the past year. He must confess, however, that much was left undone. The needs around us are great and urgent, demanding the very best we can give of ourselves and our substances. In unity of purpose and dependent upon God for ability and power, we shall move forward to meet the needs.

Respectfully submitted,
Fred A. Mauney, Moderator

REPORT OF THE HISTORIAN-1966-67

Battleground Park's pastor Rev. Tom Jones resigned. Rev. Charles Parker of New Bern is serving as interim pastor.

Beaufort, First bought a lot on Anne Street next to the lot the church owned, making a very desirable lot for future parsonage site.

Davis, which was organized August 10, 1867, celebrated their centennial on August 6th, with an all day program. They sent invitations to all former members and families of former members. At noon they provided a bountiful dinner for everyone. Also, the church was air conditioned, painted and carpeting installed.

Havelock First has renovated their sancuary and installed new carpet. Rev. Russell Talley was called as pastor.

Morehead City First voted in the spring by an overwhelming majority to build a new educational building and to remodel the old plant and sanctuary, at an estimated cost of $250,000. At an evening service this summer they conducted a Municipal Service, recognizing the town employees and officials. At this service a gift of $100 was presented the town for services rendered freely. A social hour followed the service. "Operation Insight" was a series of Sunday evening services. A local minister from a different denomination brought the message. A "talk-back session" was held at the close of the service for better understanding between churches.

In June, Parkview, Morehead, dedicated their piano given in memory of Ronald Crowe.

Peletier installed new carpet in their sanctuary. They also paid their debt on the educational building and held a note buring service.

Oriental installed new carpet in their sanctuary. Their pastor Rev. Kenneth Morgan resigned. They have called a new pastor, Rev. James Johnson who will begin his ministry October 1st, 1967.

In February, 1967, Temple Church, New Bern voted to enter a Bond Program to finance the building of a sanctuary. The response was wonderful and on June 15, 1967, construction was begun. The building is now well on its way with the construction progressing nicely.

Trenton Church paid its debt in full and a "note burning" service was held.

Trenton and Cove City have called Rev. Clyde Pearman. He moved to the field October 15th, 1967.

Tabernacle Church bought property adjoining their church property at a cost of $60,000.

Bayview Church has begun a new church building and have changed their name to the First Baptist Church of Mill Creek.

The Isle Vue Mission has moved to a new site to a lot given by Mr. and Mrs. Barney Hall, and are worshipping in a mobile chapel, paid in half by the Atlantic Association. The name was changed to the Hickory Point Baptist Chapel.

Newport called Rev. J. Gerald Harris as pastor.

Atlantic called Rev. John Spencer as pastor.

Cherry Point completed a new pastorium this year at a cost of $23,000.

Woodville has completely remodeled and redecorated their church. They installed a heating plant. Their new pastor this year is Rev. M.H. Bland.

The Peletier Church suffered a tragic experience when the pastor and approximately one-fourth of the membership withdrew to form an independent church in the neighborhood. The Peletier Church has recovered in a fine way with a good spiritual atmosphere prevailing.

Respectfully submitted,
Mrs. E.L. Davis

BAPTIST HOSPITAL REPORT

Hospital costs continue to rise. Average cost of hospital care today will average approximately $50.00 per day. The Baptist Hospital endeavors to minister to every person who has need regardless of financial rating or level of society in the world. To do this the Hospital is dependent on outside aid and assistance. This past year a special appeal was made because of the financial difficulty involving the hospital. Churches through the associations were urged to increase their offerings and especially the Mother's Day Offering. The Atlantic Association responded in

fine fashion and was one of the three first associations that met this appeal. Through January to September, the total gifts amounted to $3,009.17. The total amount given last year was $2,056.29. This was an increase of $1,002.88. We feel this was a generous response to a worthy cause.

Fred A. Mauney

REPORT OF MISSIONS COMMITTEE

The Missions Committee has met quarterly on the evenings of the meeting of the Executive Committee. It has given general oversight to the associational missions work and given assistance where needed. It has acted in an advisory capacity with the associational missionary. Pertinent problems were discussed as need arose from time to time, and assistance and advice given toward the solution. Nothing of major importance claimed the attention of the committee.

Routine business consisted of approval for mission aid from the Baptist State Convention for the associational mission work, Battleground Park Church, Harker's Island, Aurora, and Isle Vue Missions.

The committee heard a request from the Isle Vue Mission (now Hickory Point Chapel) for aid in securing a mobile chapel for purposes of worship and Sunday School. Recommendation was made to the Executive Committee that consideration be given the request. Aid was granted and the mobile unit purchased for $2850.00. The association payes one-half of the cost and the mission one-half.

We desire to thank the churches for their cooperation and support of the missionary and the associational missions projects. We respectively urge that even greater consideration be given in view of the expanding mission needs of our area. The financial support and prayers as well as cooperation in mission activities are solicited for a greater program in 1968.

Leland Garner

TEMPERANCE AND SOCIAL SERVICE

Every Christian should commit himself to total abstinence from all alcoholic beverages and become an active crusader against the maufacturer, sale and use of this most devastating product. It is manifestly clear that the liquor traffic produces misery, crime, delinquency, poverty, prostitution, social disease, broken homes, and broken spirits.

Today there are six million alcoholics in our country. Granted that alcoholism is a disease, its victims would not be in this condition if alcoholic beverage had not been accessible on every hand. All of these began drinking moderately, which led them, and may lead anyone, to the tragic state of alcoholism. While we must have love for the alcohol victim and cooperate with all forces which are dedicated to restoring him, we must also strive to keep alcohol from the reach of others. "An ounce of prevention is worth a pound of cure."

It has been said, "The moderate use of intoxicating liquors as a beverage is the great nursery of intemperance. It is the moderate drinker, the sober soaker, the one-glass-man who are the rivulets that supply the great flood of intemperance. Let the moderate drinkers at once abandon this use, and there will be an end to intemperance."

The "Brown Bagging" law has now brought liquor into many eating places and social clubs. As a result crime and traffic accidents have increased. Governor Dan Moore recently said that "Alcohol has a part in one-half of all fatal accidents in our

state."

The liquor traffic and the lovers of booze will try in the next General Assembly to get passed a liquor-by-the-drink bill. This must be defeated. Write your senators and representatives expressing opposition to such a bill.

Our churches need to unite for the cause of temperance. Also support the Christian Action League, an organization whose office is in Raleigh, and subscribe to TOMORROW, its monthly publication.

A much needed social service is the promotion of alcohol education, alcohol prevention, and the rehabilitation and conversion of alcohol victims. Spiritual regeneration will solve most of our social problems. Christ is the answer.

1967-1968 MISSIONS COMMITTEE REPORT

The Missions Committee has met quarterly on the evenings of the meeting of the Executive Committee. It has given general oversight to the associational missions work and given assistance where needed. It has acted in an advisary capacity with the Associational Missionary. Pertinent problems were discussed as need arose from time to time, and assistance and advice given toward the solution.

Routine business consisted of approval for mission aid from the Baptist State Convention for the associational mission work, Battleground Park Church, Harkers Island, Hickory Point Chapel and Atlantic Beach Resort Ministry, First Baptist Church, Morehead City, N.C.

We desire to thank the churches for their cooperation and support of the missionary and the associational missions projects. We respectively urge that even greater consideration be given in view of the expanding mission needs of our area. The

financial support and prayers as well as cooperation in mission activities are solicited for a greater program in 1969.

Respectfully submitted,
Leland Garner

ASSOCIATIONAL FOUNDATION REPORT FOR 1968

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

ASSOCIATIONAL MUSIC REPORT

At the end of the church year, 1966 - 67, only a little less than two thirds of our churches were reporting Music Programs. It has been a concern of the Baptist State Convention and the Associational music leadership that all the churches report the Music Programs they have.

It is reasonable to assume that more than two thirds of the churches in the Atlantic Baptist Association do have Music Programs, especially in light of the requirements for such. A church which has met the following steps does, in fact, have a Church Music Program:

1. The church must call or elect someone to be responsible for its music.
2. The church must have continuing music performance activities. This may only be a Ladies Trio which rehearses regularly and sings only once each month or two months.
3. The church must have continuing music education activities based on a curriculum plan. Such a plan is provided by periodicals published by the Sunday School Board. However, some churches may choose to base their plan solely on learning the hymns in the hymnal they use.

It is plain to see from this definition of a Church Music Program, that any church should be able to be among those which are counted reporting Music Programs. Regaudless of size, any church can be big in vision, big in progressiveness, and big in service.

REPORT OF AMERICAN BIBLE SOCIETY

Christianity enters the space age with a handicap to its hopes because of a world shortage of Scriptures. Seven out of eight Christians do not possess a New Testament; 50% of all Christian families do not have Bibles and more than 2 1/2 billion of the 3 billion people in the world are without any portion of the Written Word at all.

Christianity will conquer the inner spaces of men's lives only as they encounter the Living Word of God.

The American Bible Society, a vital arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all mankind, in a language he can understand. Printing without note or comment....supplying the blind with special Scriptures and distributing without profit, ABS has reached millions of people in the world. At least one book of the Bible has been published in 1326 different languages and dialects to date but there are still over 1,000 languages to go.

Southern Baptists have always been in the fore-front of active participation and cooperation with ABS ministries, loading the 74 denominational groups in financial support.

North Carolina Baptist Churches contributed $7,614.25 to the ABS cause in designated gifts through the Convention office last year. Officials of ABS continue to urge churches to make their contributions in this way, in order that more accurate records may be kept for our own information.

Because of these gifts, and other contributions, ABS continues to minister through institutions, armed forces, hospitals, prisons, schools and other vital targets. One request recently brought more than 2600 N.C. residents of several different institutions copies of the Scriptures from ABS grants. These included Samarcand Manor, McCain Prison Unit, McCain Hospital, Leonard Training School, Odum Prison, Morrison Training School, Barium Springs Home. Jackson Training School, Florence Crittenton Home and one public school requesting portions for 550 children.

Miss Ruth Culley, Special Ministries Secretary for ABS (1865 Broadway, New York, N.Y. 10023) welcomes any request for information concerned with assistance to institutional ministries.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to feed men's souls.

The world will not wait. And it need not, as long as dedicated Christians continue to manifest their concern for God's world by their increased support of the translation, publication and distribution of His word.

BAPTIST HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hamilton Home, and the Infirmary constitute a large and every-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yancerville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great state.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support: (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need to be grateful to the Lord to be part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

William A. Boole, Superintendent
North Carolina Baptist Homes for the Aging

THE RADIO AND TELEVISION COMMISSION

Dr. Paul M. Stevens, Executive Director

When the world's population is measured against the potential audience of a given religious radio program, the task which lies before the Christian world takes on postive aspects. The most promising path to any form of world evangelism lies in radio and television and with the professional experts who have learned to wield them successfully. During the past decade, no field of Southern Baptist endeavor has grown so rapidly as that in which the Radio and Television Commission is engaged.

Increasingly in 1967 - 68, the Commission has been on the front lines of our nation's spiritual warfare. A higher value was placed on the programs produced to represent Southern Baptists by station managers, with time segments improving by 18 per cent.

From August, 1967, to August, 1968, there was a 9.6% gain in programs distributed by the Commission. Thus, the largest audience in the agency's history was reached with the gospel of Christ. It is interesting to note that during the 12-month period there was a decided increase in the use of television programs.

The distribution of JOT, an animated color cartoon series for children has made the largest impact in the shortest period of time of any program ever produced by the Commission. The response to the program by both children and parents has been overwhelming, running to 1000 letters and cards a day for this program alone. JOT is now being used by 42 television stations throughout the nation, with a waiting list, and a plea for additional episodes.

A new direction for printed materials offered by the agency took place early in the year. BEAM, INTERNATIONAL was redesigned to become a monthly newsletter to the radio and television industry. Sermons on "The Baptist Hour" are now offered separately in a quarterly compilation, and other material which formerly appeared in BEAM, INTERNATIONAL is being offered for use in Baptist state papers in an effort to reach a larger audience.

Southern Baptists' Radio-TV Commission now claims approximately 20 per cent of all religious public service time on stations scheduling one or more Radio and Television Commission programs. The potential audience for this time each week is estimated at 60 to 75 million, with programs in every state and major city in America and some 40 other countries.

The relationship with the broadcasting networks was especially fruitful in 1967, with almost $850,000 worth of time and production cost donated to the work of the Commission and thus to the Southern Baptist Convention.

Network television time in 1968 has been excellent. In September Dr. W.C. Fields, director of public relations for the SBC Executive Committee, appeared on NBC-TV to discuss religious public relations with Ben Grauer. In October CBS-TV carried a half hour report of the Baptist World Youth Congress in Berne, Switzerland, and in November a conversation with missionaries in Columbia on the work in Cali and Bogota. November 10, ABC-TV telecast a special color film on Rembrandt and the Bible, featuring more than 70 paintings dealing with scriptural passages. In December, Dr. Wayne Dehoney will appear on NBC-TV to discuss the Crusade of the Americas.

Other opportunities continue to develop as all three networks seem to be turning more and more to the Radio and Television Commission with special impromptu program ideas.

Three films featuring Billy Graham, Paul Harvey and The Singing Churchmen, have been produced and are being edited for showing throughout the nation in March, 1969. The Home Mission Board is paying production and time costs, with the Commission doing the production and time clearance and syndication. This is a great "first" in the planned use of television by another agency of the Southern Baptist Convention.

Twenty-eight radio programs and three television series were being produced and distributed totaling 2207 broadcasts per week at the end of August, 1968. The complete list of programs and the number of stations broadcasting each follows: THE ANSWER--119; ADAMS' RELIGIOUS "COMMERCIALS"--51; JOT--42; THE BAPTIST HOUR--482; "MASTER CONTROL"--507; INTERNATIONAL SUNDAY SCHOOL LESSON--110; MUSIC TO REMEMBER--137; MANNA IN THE MORNING--45; OMNISCOPE--28; State News Totals: ALABAMA --36; ARKANSAS--21; GEORGIA--41; KINTUCKY--22; LOUISIANA--15; MISSISSIPPI--15; MISSOURI--3; NORTH CAROLINA--72; OKLAHOMA--22; SOUTH CAROLINA--26; TENNESSEE--28. Language Program Total: CENTROL*CENTRAL--103; MOMENTOS DE MEDITACION--89; MUSICA PARA RECORDAR--86; LA HORA BAUTISTA--78; VOICE OF HOPE (Chinese)--5; VOICE OF PEACE (Russian)--4; NAVAJO PROGRAM--9; THE PORTUGUESE BAPTIST HOUR--1. The estimated commercial value of the public service time given to these programs

was $3,246,900.

In addition, Armed Forces Radio and Television Service broadcasts each week "Master Control"* on 200 radio stations, and "The Answer" over 41 TV stations.

Wider distribution of the scriptures, and Bible reading encouragement, continue throughout the year. A special correspondence course entitled, "The Profile of Christian Experience," to introduce the New Testament to radio listerners, was written by Dr. Ralph Herring, executive secretary of the Seminary Extension Department. Text for this course is the paperback New Testament GOOD NEWS FOR MODERN MAN. Initial offers of this course to radio audiences began during the second quarter of 1968.

During the past 12 months the Commission provided radio and television production assistance for 220 church and agency leaders in 36 states, an increase of 56% for the year. Help was given through the mail, by telephone, conferences at the Communications Center in Fort Worth, and by personal visits to various church fields. More than 300 radio/tv spot announcements and format scripts for local use were written in these efforts.

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields or medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new Schools. The Medical School addition is to be ready by September 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare

department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

Respectfully submitted,
Fred A. Mauney

ANNUAL REPORT OF THE DEPARTMENT OF PROGRAM SERVICES

Jimmy Morriss - Secretary

The Department of Program Services promotes the total Baptist program through the divisions of the General Board, agencies, institutions and associations. It is a department that is primarily public relations and is incorporated in the Division of Stewardship Promotion. The work of the department may be divided as follows:

I. AUDIO VISUAL AIDS

A. Film Library

During the past year, the department booked more than 12,000 free rental films. We estimate that approximately 60% of the churches in the Convention are using audio-visuals regularly. A large number of day-care centers and kindergartens are making use of this library in their week-day ministries and this number is steadily growing. The department encourages planning for a basic library of audio-visuals at both associational and church levels, with supplementary titles provided by the department library. At present this library has over 2,500 titles covering every area of denominational endeavor.

B. Film Production

This year, the department has prepared and catalogued some 800 color slides for use in illustrating the various ministries and aspects of the state Baptist program. Over 500 pictures on all areas of Convention ministries were produced in various promotional and news media. The department worked closely with other Convention offices in compiling articles and pictures for State Missions emphases.

C. Communication Conferences

At the request of the associations and churches, a number of "one-night stand" demonstrations were held. In cooperation with the Division of Church Programs, the department sponsored a state-wide Communication and Administration Workshop in Greensboro with approximately 400 pastors and key leaders present for the two day session. Communication conferences were also held with the Mecklenburg and South Roanoke Associations. Communications was the central topic of the annual meeting of the Union Association. The department assisted in a Central Training

School in the Robeson Association and held a special A-V Clinic at Fruitland. A number of associations were assisted with A-V clinics including Dan Valley, Columbus, and Raleigh.

D. Audio Aids

More than 3000 messages were re-produced at the requests of pastors and churches this year. Major messages of all the conventions and conferences were recorded and placed in the central convention tape library. Some 40 churches were assisted in sight and sound planning in building and remodeling programs.

II. GRAPHIC ARTS

Over 300 individual lay -outs were designed and prepared for printing this year. These included posters, programs, folders, forms and stationery.

III. NEWS SERVICE

Our responsibility to provide news coverage of state Baptist work to some 485 newspapers, radio and television stations culminated in at least 50 articles for state-wide release. Complete pictorial and news coverage on State Missions was provided for the BIBLICAL RECORDER and CHARITY AND CHILDREN.

IV. TELEVISION AND RADIO

The department continues to produce the network series , A LIGHT UNTO MY PATH, a mission work of the Convention designed to reach the deaf, the aging and the unchurched. The program is presented over a state-wide network including WRAL-TV, Raleigh; WLOS-TV, Asheville, WFMY-TV, Greensboro; WBTV, Charlotte; and WNCT-TV, Greenville. Also providing coverage for North Carolina Baptists is WIS-TV, Columbia, South Carolina. The series is carried by nine other stations outside North Carolina sponsored by a church or convention in that state. Many outlying cities and areas of our own state are being reached by cable television.

Also produced are BIBLE STORY TIME, a weekly color program for preschool children and CHURCH OF OUR FATHERS, a weekly 30 minute color news program. Special programs were produced for Christmas, Easter and Thanksgiving. The department also works closely with the Southern Baptist Radio and Television Commission.

V. OTHER AREAS

The department has two approved summer workers at the summer assemblies, showing more than 300 film presentations each season. Equipment and supplies for the season at both Fruitland and Caswell are provided through the department. We assisted the Department of Town and Country Missions in the presentation of filmed messages in the following resort areas; Nags Head, Atlantic Beach, and Ocean Isle and White Lake and Lake Norman.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY REPORT

James E. Coggin, Chairman, Board of Trustees

Robert E. Naylor, President

Southwestern Baptist Theological Seminary celebrated its Sixtieth Anniversary during the 1967-68 year having been chartered March 14, 1908. The seminary functioned on the campus of Baylor University, Waco, until summer of 1910 when it moved to Fort Worth.

The cornerstone of the first building Fort Worth Hall, provided by the city's citizens, bears the inscription, "as ye go, preach." The major thrust for 60 years

has been on evangelism and missions.

Enrollment increased 67 over the previous year with a total of 1,926 ---1,193 in theology, 564 in religious education and 169 in church music. The latter is the largest ever for the School of Church Music.

Students represented 44 states, the District of Columbia, 17 foreign countries and had studied in 247 colleges and universities and 25 seminaries.

Five new faculty members added during the year were John J. Kiwiet, historical theology; Mrs. Dwight Phillips, church music education; Scotty Gray, music theory; Mrs. James C. McKinney, piano; Phillip Sims, music librarian; and Douglas Ezell, reference librarian.

The development of an enlarged campus from seventy-five to one hundred and thirty acres received priority in physical improvements during the year.

Three buildings are now on the drawing boards: for construction in 1968 or 1969. Included are a new medical clinical facility, a children's building and a new president's home.

In his report to the Southern Baptist Convention, President Naylor noted, "Intensive study of the curriculum, the emphasis upon individual courses of study and interdisciplinary teaching continues."

The Doctor of Church Music degree will become the Doctor of Musical Arts degree in the fall of 1968 and several new courses in Social Work will be offered.

Trustees named the student center the Robert E. Naylor Student Center during their spring meeting. They also celebrated the Sixtieth Anniversary of the seminary and the tenth year of the presidency of Robert E. Naylor.

The Decade Report reveals 4,353 degrees and diplomas were awarded with an average of 435 per year, of which 222 were doctoral degrees. Annual enrollment during the period exceeded 2,100. Assets of the seminary increased from $11,727,556 in 1958 to $19,000,000 in 1968.

Plans for the future include the development of a long-range program involving the total "seminary dream" for the next twenty-five years.

Four major objectives take priority for the next decade:

1. The recurring recruitment of a committed, aware, God-called and academically qualified student body.
2. The development of a larger faculty.
3. The continuing development of an alive and dynamic curriculum.
4. An emphasis on continuing theological education for loyal involved alumni and friends.

PROGRAM REPORT

THE PROGRAM OF CHRISTIAN EDUCATION, LEADERSHIP AND PROMOTION

The conclusion of the two-year Baptist Education Study Task (BEST) was the big news for the Education Commission in 1967. Follow-up work in the form of colloquiums will continue for a year or two. Expansion of the circulation of "The Southern Baptist Educator in order to disseminate news of the schools to more people was recommended by the study. During the two-year study the Commission continued its usual work of promoting the interests of the colleges, assisting parents, students, convention, colleges, and state study committees. Increasing requests for assistance are coming from precollege and graduate students. More students each year apply for loans or scholarships from the Robertson-Sheppard fund, the J.W. Farmer fund, and the Opdyke fund, more than 100 being assisted last year.

THE PROGRAM OF SCHOOL AND COLLEGE STUDIES AND SURVEYS

Though most of the Commission's activity for the past two years has been involved in the Baptist Education Study Task, the staff has served in several survey roles assisting state study committees with information and counsel. Information questionnaire, and mailing assistance has been given several graduate students who were working on dissertations. Five denominations have asked for information on our experience with the BEST which they plan to use in similar studies. By maintaining liaison with the graduate schools and helping graduate students, the Commission will be able to benefit from student research which its own staff cannot undertake. The staff has reordered parts of the BEST report three times from the printers to fill requests from the states.

THE PROGRAM OF TEACHER RECRUITMENT AND PLACEMENT

If judged by the requests for help in finding suitable faculties and staffs, and by the activity in placement, the Commission is constantly expanding its usefulness to the schools. Now in its third year as one of the nine denominations operating the Cooperative College Registry, the Commission is able to supply several thousand additional teacher prospects to Baptist administrators annually. Baptist schools will be proportionately involved in an estimated 100,000 position changes this year in American colleges. The Commission has only about $20,000 available to lend to graduate students each year. According to the requests for aid this amount should be multiplied ten times.

THE PROGRAM OF ASSISTANCE IN COLLEGE RECRUITMENT

The fifteenth annual emphasis in the churches on Christian education and Baptist schools is being sponsored this year by the Commission. The third Sunday in February is becoming more frequently observed as Baptist College and Seminary Day. Pastors are asked to observe the day by inviting speakers from nearby Baptist schools or in some other manner. Pastors and ministers of education are sent letters and sample materials suitable for use in an emphasis for young people on college planning and selection. COLLEGE and CAREER subscriptions are used by some schools as a recruitment mailing. Helpful materials on college planning and career choices are distributed at Ridgecrest, Glorieta, and other assemblies. The problem today is not the lack of students but rather the selection of those who should attend Baptist colleges.

BAPTIST CHILDREN'S HOMES

OF NORTH CAROLINA, INC. 1968 REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds fo boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever - now approaching $325,000. Special gifts bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville, and Clyde. It is hoped that construction can begin in early 1969. The

Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have spceial needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthly the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

REPORT ON COOPERATIVE PROGRAM

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad--it's preaching the gospel--it's healing in the name of Jesus through hospitals and clinics everywhere--it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offering Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go.. preach.. teach..."

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance.

According to the records available 28 churches gave $33,315.69 during the first half of 1968 for World Missions through the Cooperative Program. Six churches did not give at all for a total of 82% of the churches in the association supporting the World Missions Program of our Convention.

REPORT OF STEWARDSHIP COMMISSION

Merrill D. Moore, Executive Director

The Forward Program of Christian Stewardship, Venture in Stewardship for the Christian Family, the Growth in Christian Stewardship, and Tithers Enrolment Week programs are now available to churches in our association. The Forward Program and Family Venture programs are for all churches. The Growth in Christian Stewardship program has been designed especially for churches up to three hundred in membership The Tithers Enrolment Week Program is for our smallest churches. We urge every church in our association to use one of these four programs in developing Christian stewards and enlisting tithers.

The associational stewardship program is an excellent guide in leading the association to plan and promote its own budget, and at the same time in leading the

churches in the association to plan and develop their stewardship emphases. We recommend that the stewardship development program be used during this coming year by our association in developing Christian stewards.

1968 BIBLICAL RECORDER REPORT

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly $5000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

Respectfully submitted,
J. Marse Grant, Editor

CHRISTIAN HIGHER EDUCATION REPORT

FORUMS WILL BE SCHEDULED AGAIN ON EACH CAMPUS THIS YEAR

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited. This decision came as a result of the very successful BEST forums which were held last year, and a number of pastors and laymen have suggested that this type of communication between the colleges and our Baptist people might well become an annual event. As quickly as the schedule can be arranged, announcements will be coming to your pastors and Sunday School superintendents.

COOPERATIVE PROGRAM

The continued growth of the support by our Baptist people of the Cooperative Program is most encouraging, and we wish to take this opportunity to thank our Baptist people for the generous support through this means. For the year 1968, the following amounts were budgeted: Campbell - $272,377; Chowan - $163,100; Gardner-Webb - $154,945; Mars Hill - $234,864; Meredith - $234,864; Wake Forest University - $399,595; and Wingate - $171,255.

BAPTIST COLLEGE DAY

We should like, also, to report that we are grateful for the increased interest in the Baptist College Day and the number of churches participating. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much-needed help to our schools.

We urge our pastors and churches next year to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently: "The two young people who came to our church have changed the whole attitude of our congregation towards the Baptist colleges and the Cooperative Program." We would also remind you that the Council office will be ready to assist any church in planning the observance of Baptist College Day, and will also be glad to recommend speakers.

A MORAL AND ETHICAL FORCE

The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. The denominations who grasp this opportunity to work with young people are the ones who will have the most effective Christian witness in America in the future. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our Christian colleges. We believe that we have a mandate to re-establish a sense of Christian values in American life.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

The Council on Christian Higher Education is a service organization, as well as a coordinating agency for the Baptist colleges in our state Convention. When in Raleigh, we invite you to visit our office, and we also have special materials concerning all of our Baptist colleges and young people. This material is available to churches and individuals upon request, and may be obtained by writing to the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, N.C.

The Council also cooperates with local churches, Pastors' Conferences, and the associational missionaries in furnishing speakers on Christian higher education.

CITY AND METROPOLITAN MISSIONS DEPARTMENT

Ernest C. Upchurch, Secretary

The City and Metropolitan Missions Department of the Division of Missions, seeks to promote a total mission program in every area of North Carolina that has a population of 2500 and up. However, the metropolitan culture is always active in shaping concept and values in all geographical areas of our state.

The projected population growth of our state reveals an estimated growth between 1960 - 1980 to be one million people. These people need to be reached with the Christian witness of our churches. This department is the urban missionary effort of our convention to assist churches and/or associations in extending this witness.

Metropolitan missions has three distinct phases of its work, namely:

I. THE GENERAL URBAN CHURCH AND ASSOCIATIONAL MINISTRIES

A. Research and study has been made in metropolitan mission needs and ministries and ways and means of meeting these needs.

B. Churches and associations have been assisted in specific urban needs and long range planning of associational city ministries.

C. Seminars and conferences and clinics have been well received by ministers and lay people in this area of work. One outstanding conference of this nature was held in Greensboro during the year.

D. Pastoral assistance was provided, in keeping with the General Board's guiding principles, for 56 churches and missions.

E. Lot assistance was provided, in keeping with the General Board's guiding principles for 24 churches.

F. Urban institutional ministries have been encouraged among industry and urban hospitals, rest homes, etc.

II. METROPOLITAN CHRISTIAN SOCIAL MINISTRIES

The compassion ministries of Jesus were to all people - "when he saw the multitude he was moved with compassion on them."
Matthew 9:36

Christ not only had compassion on the multitudes he also had compassion on individuals. Many of his miracles expressed compassion for people. The Christian Social Ministries is designed to meet the total compassion needs - moral and spiritual of mankind.

A. ASSOCIATIONAL PROGRAMS:

The associational Christian Social Ministries includes services in Baptist Center work (kindergarten, weekday activities, Goodwill Centers) Rescue Missions, Juvenile Rehabilitation, Adult Rehabilitation, Literacy, Migrant and Relief Ministries. Two associational Christian Social Ministries have been launched during 1968.

B. BAPTIST CENTERS:

Two full time Baptist Center programs are being conducted, the Patterson Avenue Mission Center in Winston-Salem and the Dan Valley Baptist Center in Eden. These are in cooperation with the Home Mission Board and respective associations. A summer church-community weekday project was operated in the West Hillsborough church-community.

C. JUVENILE REHABILITATION:

Two programs of juvenile rehabilitation are being conducted. One in Winston-Salem in cooperation with the Pilot Mountain Association. One is in Raleigh in cooperation with the Raleigh Association and the Home Mission Board. There are

many , many other needs and opportunities if money and personnel were available.

D. ADULT REHABILITATION:

A special adult rehabilitation project was held for fifteen weeks in Durham. This was a pilot project directed toward alcoholics and their family rehabilitation.

E. LITERACY:

Workshops were conducted in associations and among the field workdrs of metropolitan missions. Ways of implementing this work are being studied and strategies planned.

F. MIGRANT WORK:

This phase of our ministry is designed to share the Christian faith with the migrant and to develop in him a sense of his personal worth, belonging and responsibility. A cooperative ministry of this nature was held in Henderson County (Hendersonville and surrounding area.)

III. THE WORK RELATED TO NON-EVANGELICALS:

The work among the Jews, Catholics, Christian sects and Non-Evangelicals is directed to our churches through study and research through the help of the Home Mission Board. Basic information has been gathered and compiled in tracts and pamphlets and distributed among our churches.

CONCLUSIONS:

City and Metropolitan Missions Ministries are administered in cooperation with the Metropolitan Missions, Christian Social Ministries and Non-Evangelical Department of the Home Mission Board of the Southern Baptist Convention. This Cooperative method finds these departments supplying joint-employed personnel, funds, techniques and working closely with local co-sponsors of the mission projects.

The Department's continued concern and overall perspective is for all people, especially in urban areas of North Carolina. The department's ministries are a part of the total witness of State Missions. We use all available channels to inform churches and associations of mission opportunities and to motivate them to participate in mission actions to the glory of God and the salvation of the lost.

EVANGELISM REPORT

Churches of the Baptist State Convention of N.C. reported 29,096 baptisms in 1967. Although this is an increase of 749 persons reached over the year before, we are still failing to reach the lost. The ratio for baptisms to membership in 1967 were as follows: SBC 1:29.4, North Carolina 1:30.7, and the Atlantic Baptist Association 1:31.1. This past year the churches in our Association reported 294 baptisms, 278 a loss of 16 under 1967. This represents a ratio of one baptism for every 1:35.2 members.

During the past year the churches of the Atlantic Baptist Association have been challenged to join with other Baptists in the simultaneous revivals of the Crusade of the Americas during March and April of 1969. At the present, 18 of the churches of the Association have indicated they would be participating in the simultaneous revivals. Messengers of the Association from churches that have not decided to participate are urged to lead their churches into participation. To help our churches in preparation for the Crusade of the Americas an Evangelistic Clinic for the Association was held on March 12 , 1968.

The greatest challenge and responsibility for Baptists today is to preach the Gospel under the power of the Holy Spirit. This can only be accomplished through prayer and a study of the scriptures. The Crusade of the Americas has called upon

us to rise to this tremendous challenge.

Materials and aids concerning the Crusade of the Americas may be obtained by writing the Division of Evangelism, Baptist State Convention, N.C., 301 Hillsborough Street, Raleigh, N.C.

ASSOCIATIONAL BIBLICAL RECORDER REPORT

The Biblical Recorder has been your Baptist State Paper since 1833. Every church family should be reading the Recorder every week. There are three ways that this can be done:

Every Family Plan - 4 cents per week or $2.00 per year.

Club Plan - with 4 or more subscribers at $2.50 per year.

Individual Plan - single subscriptions at $3.00 per year.

Here are six good reasons why the Biblical Recorder should be in every Baptist home:

INDOCTRINATION - Baptists need to know what they believe and why.

INFORMATION - This is the only publication presenting the full Baptist program of North Carolina, including Missions, Christian Education and Benevolences.

ENLISTMENT - No church can interest its membership in the support of a program of work which they know nothing about and in which they have no interest.

INSPIRATION - Almost every week there is an inspirational article that will help meet the day by day problems.

COMMUNICATION - There must be a dependable means of communication to all church families and the Recorder provides this valuable link each week.

UNITY - This is a way to develop a spirit of togetherness in our work as Baptists. This has been a trade mark of progress for the Baptists of North Carolina.

Do you know how many of our churches and church members have access to this wonderful paper each week of the year? In the Atlantic Association this church year, we had 1,162 families receiving the Biblical Recorder out of a membership of 6,649. We have 33 churches and 11 churches have the Recorder in their church budget plan, one church put the Recorder in their budget this year, and 16 churches have the club plan. We have a lot of work to do, because every family should be receiving this paper each week.

REPORT ON WOMAN'S MISSIONARY UNION

Realizing that trained Christian Leadership is the key to good organization, the year began with dedicated women of the Executive Board and others attending the leadership conference at Wilson and in the Association at Marshallberg and Trenton. There were over 100 in attendance at these conferences. Many were further inspired by the 84th Annual Session of the Atlantic Baptist Association at New Bern, First and at Pollocksville. Remarks by Dr. Olin T. Binkley, Pres. Southeastern Seminary and Dr. Carl Bates, Pres. N.C. Baptist Convention were a challenge to all who attended. Your President , Mrs. Larry B. Pate, attended the North American Baptist Woman's Union in Washington, D.C. Programs used the theme, Encounter...Response. A Prayer Retreat was held at Newport with good attendance. The following month,

several women attended a Naturalization Ceremony in New Bern. About 50 persons became citizens of the U.S. with your President, Mrs. Pate, bringing a welcome to the group. We have a real opportunity to witness to our foreign friends with some work already in progress in our Association. The Associational Meeting was held in April at Beaufort with an excellent attendance. Mrs. John Poe, missionary to Brazil, was the featured speaker. Others taking part in the program included Mrs. C. Gordan Maddrey, Rev. H.A. Privette, and Mrs. Gilmer Cross. The theme was Love Demands My All.

From the 20 organizations reporting, there are 20 WMS with 759 members; 4 YWA's with 22 members; 26 GA's with 226 members and 32 Sunbeam organizations with 319 members. There were 9 youth organizations reaching Approved recognition; 5 reaching Advanced recognition; and 2 reaching Honor. We are pleased to have a new YWA organization. 2 WMS organizations reached Approved and 1 reached Advanced. A Sunbeam Day Camp was held at Parkview under the direction of Mrs. Dan Page with 53 in attendance. Mrs. Marvin Hayes was in charge of an overnight GA camp with 126 present. WMS participated in Mission Actions under the direction of Rev. H.A. Privette by giving of their time and talents to work with Mission Vacation Bible Schools.

This has been a year of work and accomplishments in our WMS, but beginning this new year, we are faced with an even greater challenge - that of Changes and Choices. We have a commitment to grow, develop concern, minister, and pray to serve Christ with dedication and devotion in spreading the gospel in our Atlantic Association and to the ends of the earth.

Respectfully submitted,
Mrs. Larry B. Pate

SUNDAY SCHOOL REPORT

FOR 1967 - 1968

The Sunday School has been one of the most active organizations in the association. Under the leadership of Rev. E.H. Sessom the Sunday School divided the association geographical and church territories. The plan of department was to be of assistance to churches on a small leadership group dynamic study. There were five of thise conferences from Woodville to Bayboro. It is estimated that more than 300 leaders attended these meetings. The evaluation of this procedure to reach and assist has merited the expansion of the concept.

Vacation Bible School has become one of the greatest instruments for missions and evangelism in the association. There were 29 church schools conducted with an enrollment of 3779 this year.

Mission Vacation Bible schools under the leadership of our capable associational missionary and Mr. & Mrs. David Hall. The goal for Mission schools was set at twenty (20). We had nineteen (19) schools which was extremely good for our association. We are indeed grateful and appreciative of all who contributed and gave themselves to make this endeavor a success for the Kingdon of God.

The program for 1968 - 1969 will operate with four new officers and resource personnel in the association. The Superintendent of Education (Dan Page) will give general guidance of Christian Education in the Sunday School area; Superintendent of Teaching (Gerald Harris) will be responsible for all conferences for assistance

in teaching and leadership training; Superintendent of Outreach (Marvin Hayes) will be responsible for all conferences on growth, and visitation; Superintendent of Performance (Ralph Knight) will be responsible for all conferences on operation and on going programs of Sunday School; Superintendent of Vacation Bible School (Al Andrews) will plan and conduct the Principals' clinic, two associational clinics and help in coordinating Mission Bible School emphasis. The resource personnel will be the age-division workers who are called on to plan and conduct one of the above conferences.

Respectfully submitted,
Dan Page

REPORT OF THE ASSOCIATIONAL MISSIONARY

The work of the Associational Missionary in the past four or five years has consisted largely in assistance to churches as they had need and called for assistance. I have worked with several churches where difficulty existed and with marked success. Churches have been assisted in securing pastors. There have been many instances of counseling with individual church members on various church problems and in most cases good and lasting results were achieved.

The work of a missionary in the Atlantic is a big task and requires much time, effort and energy. All work is not logged due to being busy and because of oversight. Such things as were logged include 79 sermons and addresses, one study course taught, 13 visits to churches, 23,535 miles driven in doing the work of the association, hours worked 2603 with 22,225 pieces of mail going from the office.

I attended 170 meetings, 54 Group Conferences, had 600 personal conferences with 183 office conferences, 519 conferences outside the office, 264 phone calls, 379 conferences were related to individuals and churches and 400 conferences related to Associational work. There were115 personal conferences related to work other than the churches or Association, such as personal counseling, etc.

A workshop on Juvenile Delinquency was attended at East Carolina University during the summer. I also took advantage of the opportunity to attend a sensitivity group under the guidance of Dr. Phillip Nelson, a physchiatrist and head of the Coastal Plains Mental Health Association located in Greenville, N.C. I have been asked by this mental health center to work one night a week in a pilot project at a prison camp near Williamston, N.C. with prisoners in a rehabilitation program.

It would seem that the direction the Holy Spirit would have us take in the future will be in the area of a more personalized ministry both from the standpoint of the Associational Missionary and the churches. Mission Action could well be OUR theme as we seek to minister to people in every walk of life and in every circumstance and condition in life. To this end we dedicate our life and our time, energy and talents. May our love for Him manifest itself in greater dedication and consecration as we move toward the ministry to people who are lost, sick, in prison, blind, and broken-hearted and to God be the glory.

Sincerely,
H.A. Privette

TRAINING UNION REPORT

The Training Union Department held its Associational "M" Night on December 11, 1967, at the First Baptist Church of New Bern. Fourteen churches were represented by 189 members, with the greatest attendance and the greatest percent attendance banners both being won by the National Avenue Baptist Church of New Bern. The Program Highlight was a dramatic Presentation, "Who Cares, Anyway?" emphasising the lack of concern many adults and parents have for youth today.

The Associational Training Union Tournaments were held March 22, 1968 with eight Juniors representing two churches participating in the junior Memory Work Tournament.

Associational Youth Night was held at the First Baptist Church of Havelock on May 18th with sixty representing six churches of the Association, present.

Associational "M" Night this year will be held, Monday Night, December 9, 1968 at the First Baptist Church of Havelock.

Respectfully Submitted,
Robert King, Jr.

MEMORIALS OF 1967 - 1968

Seventy persons are absent from our number this year in body, but have gone to be present with the Lord.

When our loved ones have passed from this world into another world we speak of it as death. Death is a sleep. As one lies down to sleep at night expecting to wake in the morning, so may we lie down to die expecting that the body which loses consciousness shall wake to life in the morning of the resurrection. Remember that one day Jesus said to his disciples, "Our friend Lazarus is fallen asleep, but I go that I may wake him out of his sleep." So our Lord will one glad day say to the angels of heaven: "Our friends on earth have fallen asleep. Let us go and wake them out of their sleep." Grassy mounds that are circled with flowers will heave and marble shafts will tumble for the waking sleepers will be throwing off their covering coming forth from their sleep, because of the touch of God.

The wakening of the body is as certain as its sleeping. "The hour is coming, said Jesus, in which all that are in their graves shall hear his voice and shall come forth, they that have done good unto the resurrection of Life, and they that have done evil unto the resurrection of judgment.

Thank God that with Jesus the impossible is as easy as the commonplace. When he pleases he will say "Arise and their bodies will come forth.

These friends were not afraid of death, for them to die was gain for they knew they would be in Paradise with their Lord.

We are thankful for these our loved ones they are with us in heart and memory. We may think more continually of them now than when they were on earth. Their example influences our lives, the words they spoke to us still instruct and inspire us. Some graves are more powerful than some pulpits.

Their presence with Christ is a better ministry to us than their invisible presence on earth would ever be. We are inspired by the love we have for them to prepare to meet them in Heaven. The gravitation of our hearts is toward heaven where our treasurers are, so once again let us be thankful for these our friends, and for their Christian witness.

Respectfully submitted,
Mrs. R.K. Hodges

CONSTITUTION AND BY-LAWS

PREAMBLE

We, the members of Missionary Baptist Churches in the County(ies) of Beaufort, Carteret, Craven, Jones, Pamlico, Onslow State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

Article I NAME

The name of this body shall be the "Atlantic Baptist Association."

Article II PURPOSE

It shall be the purpose of the Association to co-operate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

Article III MEMBERSHIP

SECTION 1. The Association shall be composed of co-operating Baptist Churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of co-operation and supports the objects of this Association.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed

by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4. Any church may be granted a letter of dismissal to unite with another association by presenting a written request of same at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

Article IV MEETINGS

SECTION 1. The Association shall meet annually on Thursday and Friday after the fourth Sunday in October.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.

SECTION 3. Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall have not less than three (3) or more than ten (10) messengers. (In addition to these, pastors of member churches shall serve as messengers.) These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall include only those attending and registering at the Association.

Article V AUTHORITY

It is understood that each church in this Association is independent and sovereign in its own affairs, and this Association has no authority over the churches, except in an advisory nature.

Article VI OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasuer, Auditor, Historian, Associational Music Director, Associational Sunday School Superintendent, Associational Training Union Director, Associational Woman's Missionary Union President, Associational Brotherhood President, and Parliamentarian.

SECTION 2. The officers shall be elected on the last day of the annual meeting for a term of one (1) year each. The nominees shall be contacted and nominated by the Committee on Nominations (By-Lay IV, Section 6). Nominations by the Nominating Committee shall not preclude nominations from the floor.

SECTION 3. Associational officers other than the moderator, whose term is limited (Article VI, Section 5), shall be encouraged to continue in office where the caliber of work done is commendable. In cases where changes are necessary, the person enlisted as an officer of the association shall be urged to accept responsibilities and attend planning meetings and training sessions in preparation for the discharge of his duties as an officer of the association.

SECTION 4. All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing associational year.

SECTION 5. Any person having served two full terms as Moderator shall be ineligible for re-election for a period of one year.

Article VII TRUSTEES AND THEIR ELECTION

There shall be three (3) trustees of the Association, one (1) preferably a lawyer, serving terms of three years each on a rotating basis. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting, no trustee being eligible to succeed himself until after the lapse of one year. The expiration date of each trustee's term of office shall appear by his name in the Associational Minutes.

Article VIII THE EXECUTIVE COMMITTEE

The Executive Committee shall be composed of all Associational Officers (Article VI, Section 1), the Associational Missionary (ex-officio), each active pastor, one lay member chosen by each member church from its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Committee shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this Committee to meet quarterly, and to make reports and recommendations to the Association at its annual meeting.

Article IX THE ASSOCIATIONAL COUNCIL

The Associational Council shall be composed of the following associational officers: Associational Missionary, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Music Director, Clerk, and Moderator. The Associational Missionary shall serve as chairman, and when without a missionary, the Moderator shall serve as chairman. This council shall meet monthly or on call of the chairman. It shall seek to correlate the work of the association and formulate programs and projects to further the work of the association. It shall define the objectives of the association and project goals and plans for accomplishing these objectives. It shall evaluate the work of the associational organizations and prepare a report of objectives and goals for presentation to the Executive Committee or annual meeting for consideration and/or adoption. It shall work out as soon as possible each year an associational calendar for the coming year and present same to the Executive Committee for adoption or amendment. After approval or amendment it shall distribute it to the churches. The work of the council shall be informative and advisory, and not authoritative or administrative.

Article X DEPARTMENTS

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more dilligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Service departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done.

These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this

done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted,
Fred Mauney

REPORT TO THE ASSOCIATIONS FOR 1969

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Home's history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging--the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Home is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes - Resthaven and Hayes Homes, in Winston-Salem, the Albemarle Home, in Albemarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear the words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry.

We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA. INC. 1969

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have addditional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent.

With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offsprings will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

COOPERATIVE PROGRAM REPORT

WHEN THE WORD "STEWARDSHIP" is used, most of us begin to see $$! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means RESPONSIBILITY in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our very best to this ministry.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R.T. Greene is Secretary and Mrs. Susan Cochrane is office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility of Harold White and his associate, Cleve Wilkie. Mrs. Dorothy Smith is office secretary.

Mrs. Smith is also office secretary for the Annuity Department, Guy Cain, Secretary.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by L.J. Morriss. Mrs. Esther Kidd, office secretary, is assisted by Mrs. Frances Riley and Mrs. Sylvia Neely in this work.

O.J. Hagler is Director of the Division and Mrs. Lacy Coates is secretary.

THE COOPERATIVE PROGRAM is the MAIN channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this year is $6,750,000.

A special State Missions Offering goal of $250,000 is a challenge to all Baptist churches. Other approved special offerings---The Lottie Moon Christmas Offering, the Annie Armstrong Easter Offering, the Heck-Jones Memorial Offering, the Hospital Special on Mothers Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Fathers Day and the offering for the Homes for the Aging in February----all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

On your invitation, we stand ready to assist in every possible way.

As dedicated Christian stewards will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

ASSOCIATIONAL FOUNDATION REPORT FOR 1969

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foun-

dation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

1969 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION

The year 1969 has been one of the most significant in the 136 year history of the BIBLICAL RECORDER. True, we cannot point to any spectacular gains in circulation, but each week the RECORDER is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the RECORDER has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark---an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance, the RECORDER gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The RECORDER should be in every Baptist home.

We will continue to speak the truth in love

THE CHRISTIAN ACTION LEAGUE REPORT

D.P. McFarland, Executive Director

From one standpoint this has been a very good year for those who are deeply concerned about the beverage alcohol situation in North Carolina. The 1969 General Assembly wrestled with some issues which if they had passed, would have greatly liberalized the laws relating to sales, and would thereby have increased the consump-

tion of alcohol. Every state that had adopted liquor-by-the-drink sales has seen an increase in per capita consumption in that state.

We are grateful that the General Assembly defeated the following bills:

The state-wide bill on whiskey-by-the-drink which was introduced by Representative DeBruhl of Buncombe County. This bill was also known as the Travel Council bill.

The Mecklenburg County local option bill on liquor-by-the-drink.

The Moore County local option bill on the same.

The Baugh and Carson State-wide bill on all or nothing. This bill offered two alternatives: TOTAL PROHIBITION or A CONTINUATION of the present system plus local option on liquor-by-the-drink.

Senator Jack White's bill on local option A.B.C. votes in any city or town having at least one policeman.

We are rejoicing in some of the bills that were passed:

The implied consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

A bill to increase taxes on beer and whiskey,

Tax on beer up from 3.5 cents to 5¢ per 12 oz. container.

Tax on whiskey up 30¢ per fifth and due to go up more.

The General Assembly is composed of men and women whom you elect to send to Raleigh. Find out their views on alcohol before the elections. Elect representatives and Senators who will vote dry.

From another standpoint, we regret that so many local bills were passed during this session granting local option A.B.C. elections in so many places. When a representative introduces and favors such a bill in his district, it is almost certain to pass. This is another reason that care should be taken in electing representatives to send to Raleigh.

This has been a fairly good financial year for the Christian Action League. We had contributions of $24,000 on a projected budget of $26,000. We need twice this amount of money each year. Only folks like you will give it. Many churches and individuals have been faithful. We solicit other churches to put the League in the budget and send in this amount annually. Special contributions are always joyfully received. We represent you in this work. Remember to pray for the work and workers; and give us your financial support.

SUNDAY SCHOOL REPORT

The Sunday School Department in cooperation with the Department of Evangelism provided the Association the needed preparation for the Crusade of the America's revivals. Dan Page, Superintendent of Education, led three evangelistic clinics. Each clinic provided those attending the opportunity to go into one of three conferences: (1) How to organize a visitation program, (2) How to make an Evangelistic visit, (3) One for one growth enrollment plan. A total of eighty-five persons attended these clinics.

In February the Association Crusade Rally was sponsored. The Rev. David Gomez of Brazil challenged the hearts of 475 people at a rally at the Morehead City Church.

Again this year the Sunday School was responsible for the fine Vacation Bible School programs held throughout the Association. A full team of workers attended the state clinic and returned to hold two Associational clinics. A total of 133 Vacation

Bible School workers attended these clinics, representing fifteen churches from the Association.

Alfred Andrews

MISSION VACATION BIBLE SCHOOL

The Mission Vacation Bible School effort was extended to all corners of this Association. The effort of the Association was not in vain. Mission Vacation Bible Schools was the greatest instrument in reaching children within our Association with the Good News that "Christ is the only hope."

Rev. Hilton Moore, Jr., Rev. W.B. Moore, Rev. J.T. Parks, Jr., and the Associational Missionary were responsible for the success of Mission Vacation Bible Schools. Many individuals gave their time and financial aid toward this mission opportunity.

Twenty-two Mission Schools were held this summer-fifteen Negro and five White. Collectively, these schools ministered to approximately 1500 children. New tables and chairs were purchased by the Baptist State Convention and used along with the tents at Mission Vacation Bible School sites. One improvement this year was the advanced advertisment and preparation provided for the schools. Yes, we are proud of the success of sharing the love of God with so many.

Respectfully submitted,
Alfred Andrews

REPORT OF SOCIAL SERVICE AND TEMPERANCE

The lack of temperance is one of the major characteristics of our American society today which is causing moral deterioration. It is estimated that over 6 1/2 million Americans are addicted to alcohol with approximately 250,000 individuals becoming new alcoholics each year. It is estimated that eighty million Americans drink. Seventy-five percent of the men and fifty-six percent of the women drink alcoholic beverages. Approximately seventy percent of all alcoholics started drinking in their teens. From fifty to seventy percent of all highway accidents are related to alcohol.

In the Atlantic Baptist Association the number of alcoholics range as follows:

Craven County - 2,000-2,500
Pamlico County - 250-300
Carteret County - 1,200-1,500
Jones County - 400-450

In the four counties listed above the annual gross liquor sales will exceed three million dollars.

Between December 23, 1968 and May 23, 1969, a 6 month period, over 500 arrests were made in Carteret County for either drunken driving, public drunkenness or illegal possession. Only 282 of these were convicted as charged. From December 2, 1968-July 2, 1969, a seven month period over 300 people were convicted in Craven County for either public drunkenness or driving under the influence. During the same period of time Pamlico County had 39 convictions and Jones County 48 convictions.

Alcoholism not only endangers the physical, social, moral and spiritual life of the alcoholic but it also causes a gross moral decay among the families. In Proverbs 23 we find the following: "Be not among winebibbers---For the drunkard and glutton shall come to poverty---At the last it biteth like a serpent and stingeth like an adder."

Alcohol is involved in crime, accidents, poverty, divorce and thousands of maladjusted children.

What can be done to stop the trend toward complete corruption and deterioration? Since the great majority of our alcoholics begin drinking in their teens it is urgent that we reach our youth now. Alcoholics and Mental Health personnel are now conducting classes on "The Evils of Alcohol" for eighth grade students in the public schools throughout the Atlantic Baptist Association. What is the role and resposnibility of our church and church people in: (1) providing a ministry to the alcoholics and (2) helping our youth to yield not to the temptation of the beverage that "biteth like a serpent and stingeth like an adder?"

Respectfully submitted,
Douglas M. James

ASSOCIATIONAL EVANGELISM REPORT

The churches of the Baptist State Convention of North Carolina reported 28,668 persons baptized during 1967-68 indicating a 1.5% decrease from the previous year. The Southern Baptist Convention reported 5,915 fewer baptisms than the previous year. The ratio for baptisms to membership in 1968 were as follows: SBC 1:30.3, North Carolina 1:35.1, and the Atlantic Baptist Association 1:35.2. During the 1968-1969 church year the Atlantic Association reported 183 baptisms, which is a 34.1% decrease from the previous year. This represents a ratio of one baptism for 53.2 members.

During the past year a number of the churches of our association joined other Baptist Churches of the Western Hemisphere in the simultaneous revivals of the Crusade of the Americas. In connection with our spiritual preparation for the Crusade, an Evangelistic Rally was held on February 28, 1969 at the First Baptist Church, Morehead City, with Reverend David Gomes, Evangelist of Brazil as the visiting speaker.

The challenge and responsibility for Baptists today is to build and maintain a high spirit of evangelism in seeking and witnessing to the lost. We are also challenged to cooperate in a continuing project of the Crusade of the Americas to place special emphasis on Christian maturity during 1970, that we might become more effective witnesses for our Lord.

Respectfully submitted,
Marvin Hays

REPORT OF STEWARDSHIP

The Forward Program of Christian Stewardship, Venture in Stewardship for the Christian Family, the Growth in Christian Stewardship, and Tithers Enrolment Week programs are now available to churches in our association. The Forward Program and Family Venture program are for all churches. The Growth in Christian Stewardship porgram has been designed especially for churches up to three hundred in membership. The Tithers Enrolment Week Program is for our smallest churches. We urge every church in our association to use one of these four programs in developing Christian stewards and enlisting tithers.

The associational stewardship program is an excellent guide in leading the association to plan and promote its own budget, and at the same time in leading the churches in the association to plan and develop their stewardship emphases. Every church in our association has contributed to the support of our associational missions work this year. Missions participation through the Cooperative Program has increased.

We encourage the use of the stewardship development program during this coming year by the churches of our association in continued development of Christian stewardship.

Respectfully submitted,
H. Ellis Lanier

EXECUTIVE COMMITTEE REPORT

During this past year the Executive Committee met at least four times with much planning for the "Crusade of the Americas." Rev. Gomez of Brazil spoke to the rally held in Morehead City with a voluntary offering of $275.00 to help mission work in Brazil. The reports from the churches have been good as the results have come in.

The several organizations have reported very good response to their several meetings throughout the Association.

The Associational Missionary with others promoted and conducted twenty-two mission Vacation Bible Schools in the area of the Atlantic Association.

Some work among migrants was done this year for the first time.

The Executive Committee approved several applications for aid to the State Missions Department.

Respectfully submitted,
Harry Crump, Clerk

1969 MISSIONS COMMITTEE REPORT

The Missions Committee has met when called or necessary. It has given general oversight to the Associational Missions Work and given assistance where needed. It has acted in an advisory capacity with the Associational Missionary. Pertinent problems were discussed as need arose from time to time, and assistance and advice given toward the solutions.

Routine business consisted of approval for mission aid from the Baptist State Convention for the Associational Missions Work, Battleground Park Church, Harker's Island, Hickory Point Chapel, and First Baptist Church, Morehead City, North Carolina for Beach Resort Ministry.

The Committee has also suggested some changes in the Guidelines for the Associational Missionary.

We desire to thank the churches for their cooperation and support of the Missionary and the Associational Missions Projects. We respectfully urge that even greater consideration be given in view of the expanding mission needs of our area.

So join us with your prayers and support for a better year in 1969-1970.

Respectfully submitted,
Leland Garner
Chairman

REPORT OF THE ASSOCIATIONAL MISSIONARY

The Atlantic Association continues to grow in the spirit of missions as the churches seem to be more aware of the Lord's Commission. It seems the eyes of the people are beginning to behold those around their own doors and to take more seriously the Lord's Command, "That repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem," Luke 24:47. At the same time this is happening, the vision includes more and more of the world. It seems the churches are more and more realizing that the commission is one mission and not four.

Some of the work done in the name of the Association includes: 43 sermons and addresses, 44 visits to churches, 32,550 miles driven in serving the churches, 30,000 pieces of mail going from the office, 3,855 hours spent in serving the association. Besides this, I had 850 individual conferences, 36 group conferences and 30 committee meetings.

Twenty-two Mission Vacation Bible Schools were held in the Association. Seven of these were White schools and fifteen were Negro schools held in cooperation with the Interracial Department of the Baptist State Convention of North Carolina. Rev. W.B. Moore, former pastor of First Baptist, New Bern (Negro), did a great work in leading in these Vacation Bible Schools.

A ministry to the migrants was opened this year for the first time. While not too much was done, it is our opinion that the people are becoming aware of this need and opportunity and that next year will see a greater ministry to these people.

Cooperation was given when needed and where opportunity existed in the Resort Ministry. Also family services ministries was explored and some effort made toward a prison ministry. This did not work out too well but it is hoped that it can yet be carried out. The possible ministry to Juveniles in trouble was explored but this remains a goal for the future. Some effort was made to hold religious services in local motels and the way opened up for it but it never materialized. This too is a hope for the coming year. Work of this sort requires planning, organization and assistance by many people and cannot be accomplished by one person. Until people allow themselves to be enlisted and cooperate in such Mission Action Activities, the work will go very slow.

Your prayers, encouragement, and cooperation is earnestly solicted.

Respectfully submitted,
Rev. H.A. Privett
Associational Missionary

MEMORIAL

Fifty-four people have gone from our midst to be with Christ since our last Associational year.

They are at peace and at rest now. How do I know this? I know because they are children of God. Somewhere sometime they were convinced they were lost, and their only hope for life eternal was in Christ Jesus the Son of God. They were miserable in their sinful life and so they began to search for Christ. You know when we are repentant of our sins and begin to search, Christ isn't hard to find, for He has promised that if we search with all our hearts we will find Him. They found Him and they heard Him say, "I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die." They heard Him say, also, "Because I live ye shall live also." Christ took away their fear of death and the grave.

We thank God for these witnesses, and for all others who have been in our midst. Their witness, their testimony has won perhaps some of us to Christ. Oh, how great our love has been for them. And in our selfishness, how we hated the thought of not being able to have fellowship with them daily. And at times our grief and sorrow has been almost unbearable, until we remembered it will not be long before we will be reunited with them in a land where there will be no more separation, and where our God reigns supreme.

We cannot understand everything about death now, but it is enough that these who have truly believed in Christ as Saviour and Lord are not dead, for the soul that has

been reborn can never die. It is enough to know that the Saviour saw they had grown so weary that He took them to live with Him on high. It is enough to know their spirits have returned into the keeping of Him who gave them birth.

It is enough to know that we must not sit in hopeless sorrow for our loved ones who have gone. It is enough to know that now we must take up the work they left unfinished, and with God's help to carry on until we ourselves are called to that Heavenly home God has prepared for us.

A BRIEF HISTORY OF THE SEA LEVEL BAPTIST CHURCH

by

Mrs. Miriam Taylor, Church Clerk

The morning of March 24, 1957 marked the beginning of the Sea Level Baptist Chapel. Under the capable leadership of Rev. John W. Privott, and three other leaders from the Atlantic Baptist Church; Mrs. Clara Privott, Miss Myrtle Morris, Mr. Sherwood Robinson the forty-two persons present were organized into a Sunday School. Following the organizing of the Sunday School, the people assembled for worship. Reverend Privott conducted the service, and 17 persons united with the Mission. At the next service seven more asked for membership bringing the total members up to 24.

On April 2, following the organizational meeting a Woman's Missionary Union was organized with 12 members. On April 7, a Training Union was organized with 12 members.

The Atlantic Baptist Church provided tables, chairs, Literature and pastoral leadership. The wonderful spirit of the Atlantic Church, its prayers and interest made the mission work proceed smoothly and rapidly. A grateful spirit prevailed and the mission people worked hard to make their dream become a living reality.

For several months the Mission met for Sunday School, Worship, and other services in a building owned by Brother Beauman Taylor which he had been using as a carpenter shop.

On April 7, 1957, Reverend J.R. Owens, a retired minister of Havelock, North Carolina was called to lead in the work until a regular pastor could be called. Under the faithful leadership of Dr. Owens and his gracious wife the mission work prospered, and the people rejoiced. By December the membership of the Mission had increased to 30.

The Mission voted on July 7, 1957 to extend a call to Reverend Robert N. Floyd a former pastor of the First Southern Baptist Church, Mountain Home, Idaho as pastor. During Reverend Floyd's pastorate the Mission operated on a fulltime basis, in spite of the inconveniences associated with the small Carpenter Shop where its services were being conducted, and everyone seemed to enjoy the services. We all felt that there was something about the carpenter shop that made Jesus seem very close because he too, once labored in a similar setting.

In August 1957 the Mission purchased a piece of land across the highway from Brother Beauman Taylor on which to build a place of Worship. A Committee was elected to secure funds to begin the building. The committee members were Brother Frank Harney, Brother Garris Gaskill, Brother Beauman Taylor, Brother Delmas Gaskill, Sister Miriam Taylor, Sister Mary Taylor, and Sister Esther Salter. At the end of the Church year, September 3, 1957, the Mission had $1215.45 in the Building Fund and had received a total of $2983.26.

After much thought, prayer and study concerning the fulfillment of a dream to build a place to worship God and study his Holy Word - a place where our children could be nutured in spiritual growth under the guidance of Christian leadership - the Mission began to build. A Ground Breaking Service on Sunday, October 27, 1957. Dr. J. R. Owen opened the Service with prayer. Dr. W.W. Hamilton gave the message. Following the message the congregation assembled on the new church lot for the remainder of the Ground Breaking Service.

Mrs. Malancy Hamilton our oldest member turned the first piece of ground. Reverend John W. Privott, who had helped us in more ways than anyone could ever tell

and who we will remember in the name of our Lord, gave the prayer of benediction.

During the winter of 1957 and the Spring of 1968 our Sunday School grew from 47 to 76. A Unified Budget in the amount of $1325.00 to be disbursed at $50.97 per month was adopted by the Mission.

On March 14, 1958, the members of the Sea Level Baptist Mission and their pastor, Reverend Robert N. Floyd met with the Organizational Council of the Atlantic Baptist Association in the Atlantic Baptist Church to organize the Mission into a Church.

The Articles of Faith as contained in the pamphlet, The Baptist Faith and Message, a statement adopted by the Southern Baptist Convention was read and accepted by the Mission. Each member of the Mission present for this service signed a constitution signifying their acceptance of these Articles of Faith.

The Church Council which met to carry out the procedure of organization was composed of

Reverend J.D. Heath	Kinston, N.C.
Reverend W.M. Rhymes	Maysville, N.C.
Dr. W.W. Hamilton	Havelock, N.C.
Chaplain Daniel E. Honeycutt	Havelock, N.C.

Brother Roy Clemmon	Beaufort, N.C.
Brother Carlton Rose	Beaufort, N.C.
Brother Reggie E. Parish	Newport, N.C.
Brother Miles Willis	Smyrna, N.C.
Brother Julian Willis	Atlantic, N.C.
Brother Luther Smith	Atlantic, N.C.
Brother Murry Robinson	Atlantic, N.C.
Brother Albert Mason	Atlantic, N.C.

Brother Charles Edwards	Atlantic, N.C.
Brother Harvey Hamilton	Atlantic, N.C.

The Mission was organized into a Church upon the recommendation of the Organizational Council, and under its guidance March 23, 1958. The right-hand of fellowship was extended to the members of the Sea Level Baptist Church.

Work had already begun on the present structure. On Sunday, July 27, 1958 the first service in our new building was conducted. Brother Delmas Gaskill, Brother Clarence Salter, and Brother Garris Gaskill were our first deacons.

On September 20, 1958 the new Church elected to request from the State Missions Department of The North Carolina Baptist State Convention $1030.00 for a Pastor's supplement for the next church year.

Reverend Floyd resigned as pastor October 26, 1958 for the purpose of furthering his theological education.

A revival was held in November of 1958 by Reverend Alex Thompson. Four people accepted Christ and were baptized into our fellowship.

Our Church was without a pastor from November 1, 1958 through January 1959. Services were held, however, with different ministers serving each Sunday.

In May 1960 a revival was held and 11 souls were added to the Church. We knew that the Holy Spirit was with us from the start. The membership of the Church had grown by then to 54.

Reverend Steadman resigned May 31, 1960 and we were again without a pastor. However, services as before continued with different pastors filling the pulpit.

In September 1960 the members of the Smyrna Church accepted an invitation from

our Church to join in forming a church field and sharing the services of a pastor. The following January, Reverend Ernest Welchel of Gaffeny, South Carolina was called as pastor to serve both churches. During Reverend Welchel's pastorate new pulpit furniture was purchased and doors for the Sunday School rooms. Work on the grounds consisting of building up and leveling off was done. On June 1, 1963, Reverend Welchel resigned.

Reverend W.T. Dillon, Cherry Point, North Carolina accepted a call as pastor in September of 1963 on a full time basis. Under his pastorate 11 new members were added by baptism and two by letter. Reverend Dillon, a United States' Marine, was transferred to Hawaii and had to resign our church, February 26, 1964.

During July and August of 1964 the church was served by Mike Arnettee, a young ministeral student.

On September 1, 1964 the church called Reverend Frank W. Chance, Newport, North Carolina as full time pastor. Reverend Chance came to us when we were still in debt for our church and Sunday School rooms. The Sunday School rooms were not finished.

Under his leadership the church debt has been liquidated, our Sunday School rooms finished, bathrooms installed, floors finished and carpet installed, and a new piano purchased.

It was with great joy and humility that we the 58 members of Sea Level Baptist Church dedicate this building to the glory of God on this day May 8, 1966. It is our prayer that we may press forward to the mark of the high calling of God in Christ Jesus.

An invitation from our church is extended to all who are strangers that should have a church home; to all who sorrow and seek comfort; to all who are friendless and would find companionship; to all who are sinning and need a Savior; to all who desire to help in bringing the Kingdom of Righteousness to pass in this world; our Church opens wide its doors, and in the name of the Lord Jesus Christ says, "Welcome."

REPORT ON WOMAN'S MISSIONARY UNION

Our permanent watchword is "Laborers together with God," and this year has been a year of transition with each Woman's Missionary Union trying "Changes and Choices" with emphasis on more group study and more witnessing in all areas.

We have dedicated women who have attended regular Executive Board meetings to contribute to the planning and carrying out of our mission.

Several in the Association have joined PACT (prayer partners) to help promote the Crusade of the Americas, a thrust in personal revival and educational evangelism that was launched by 20 million Baptists in South, Central and North America in January of 1968 and continued through the summer of 1969.

We have participated in Mission Study, Home and Foreign Missions with much interest and worthy offerings.

Believing that charity begins at home, many have participated in Atlantic Association missions through Mission Vacation Bible Schools, Migrant Ministry, Resort Ministry, Orphanagers and Homes for the Aged.

Our Girl's Auxiliary Director, Mrs. Marvin Hayes, reports one of the best GA camps ever with 101 girls and counselors registered.

We hope to have new YWA and Sunbeam organizations this coming year.

The October Program beginning the new year is entitled "A Spark Catches Fire." We pray that WMU under our new director, Mrs. Charles Fitzgerald will do just this and make our permanent watchword a living thing.

Respectfully submitted,
Mrs. Larry Pate

REPORT OF ATLANTIC ASSOCIATION WMU MEETING

The annual WMU Associational Meeting was held April 24, 1969 in the Temple Baptist Church, New Bern. The theme for the meeting was "Missions - Our Involvement and Committment."

Mrs. L.B. Pate, Sr. presided, and Mrs. J.M. Barrow recognized the guests. Mrs. Marvin D. Hays led in the call to prayer.

Roll call of churches was made by Mrs. George Laughton, Jr. Approximately 125 were present.

Mrs. Ralph Potter presented the nominating committee report which was approved, and the new officers were installed. Mrs. Dan Page gave a report of the various committees.

Special music was sung by Mr. W.D. Lee, Rev. Joe Walker and Mrs. James Garver.

Miss Jane M. Jenkins introduced one of the guest speakers, Miss Sara Ann Hobbs, Executive Secretary of the WMU of North Carolina, who spoke on "Practically Committed." This was a very challenging message on becoming involved and showing that we care.

Rev. Dan Page talked about the Resort Ministry at Bogue Banks and how we could become involved in the Interfaith Movement.

Dr. J. Ben Warren introduced the other guest speaker, Dr. Timothy Pennell, surgeon at Bowman Gray School of Medicine, Winston-Salem, North Carolina. He gave a very inspiring message and showed slides on his trip to Africa and the Middle East.

The next annual meeting will be held at the Parkview Baptist Church, Morehead City, North Carolina.

Rev. H.A. Privette gave the benediction and the meeting was adjourned. We then enjoyed a delicious lunch prepared by the women of the host church.

Respectfully submitted,
Mrs. George Laughton, Jr.
Secretary

Constitution and By-Laws

PREAMBLE

We, the members of Missionary Baptist Churches in the County(ies) of Beaufort, Carteret, Craven, Jones, Pamlico, Onslow State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

Article I NAME

The name of this body shall be the "Atlantic Baptist Association."

Article II PURPOSE

It shall be the purpose of the Association to co-operate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

Article III MEMBERSHIP

SECTION 1. The Association shall be composed of co-operating Baptist Churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of co-operation and supports the objects of this Association.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this Committee and accepted by the Association shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the Membership Committee, membership within the Association of such churches shall be confirmed by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

SECTION 4. Any church may be granted a letter of dismissal to unite with another association by presenting a written request of same at the annual meeting of the Association. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association.

Article IV MEETINGS

SECTION 1. The Association shall meet annually on Thursday and Friday after the

fourth Sunday in October.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.

SECTION 3. Each church shall elect annually one (1) messenger to the meeting of the Association for each fifty (50) members of the church, provided each church shall not have less than three (3) or more than ten (10) messengers. (In addition to these, pastors of member churches shall serve as messengers.) These shall constitute the voting body of the Association. The names of messengers printed in the Minutes shall include only those attending and registering at the Association.

Article V AUTHORITY

It is understood that each church in this Association is independent and sovereign in its own affairs, and this Association has no authority over the churches, except in an advisory nature.

Article VI OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Auditor, Historian, Associational Music Director, Associational Sunday School Superintendent, Associational Training Union Director, Associational Woman's Missionary Union President, Associational Brotherhood President, and Parliamentarian.

SECTION 2. The officers shall be elected on the last day of the annual meeting for a term of one (1) year each. The nominees shall be contacted and nominated by the Committee on Nominations (By-Law IV, Section 6). Nominations by the Nominating Committee shall not preclude nominations from the floor.

SECTION 3. Associational officers other than the moderator, whose term is limited (Article VI, Section 5), shall be encouraged to continue in office where the caliber of work done is commendable. In cases where changes are necessary, the person elisted as an officer of the association shall be urged to accept responsibilities and attend planning meetings and training sessions in preparation for the discharge of his duties as an officer of the association.

SECTION 4. All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing associational year.

SECTION 5. Any person having served two full terms as Moderator shall be ineligible for re-election for a period of one year.

Article VII TRUSTEES AND THEIR ELECTION

There shall be three (3) trustees of the Association, one (1) preferably a lawyer, serving terms of three years each on a rotating basis. On nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting, no trustee being eligible to succeed himself until after the lapse of one year. The expiration date of each trustee's term of office shall appear by his name in the Associational Minutes.

Article VIII THE EXECUTIVE COMMITTEE

The Executive Committee shall be composed of all Associational Officers (Article

VI, Section 1), the Associational Missionary (ex-officio), each active pastor, one lay member chosen by each member church from its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Committee shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this Committee to meet quarterly, and to make reports and recommendations to the Association at its annual meeting.

Article IX THE ASSOCIATIONAL COUNCIL

The Associational Council shall be composed of the following associational officers: Associational Missionary, Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Music Director, Clerk, and Moderator. The Associational Missionary shall serve as chairman, and when without a missionary, the Moderator shall serve as chairman. This council shall meet monthly or on call of the chairman. It shall seek to correlate the work of the association and formulate programs and projects to further the work of the association. It shall define the objectives of the association and project goals and plans for accomplishing these objectives. It shall evaluate the work of the associational organizations and prepare a report of objectives and goals for presentation to the Executive Committee or annual meeting for consideration and/or adoption. It shall work out as soon as possible each year an associational calendar for the coming year and present same to the Executive Committee for adoption or amendment. ASSOCIATIONAL MISSIONARY'S REPORT

A rather strange paradox that seems to defy explanation seems to be the state of the churches in our day. We are the redeemed of the Lord and we are admonished to say so. (Psalm 107:27), we are to be the salt of the earth (Matthew 5:13), and the light of the world (Matthew 5:14); we are also told by our Lord that we are the recipients of the keys of the Kingdom of heaven, with the promise that whatsoever we bind on earth shall be bound in heaven, and whatsoever we shall loose on earth shall be loosed in heaven, (Matthew 16:19); yet, one of the hardest things to do on earth is to get churches to "lift up their eyes and look at the harvest that is already white." This world will never be reached for Christ by organized Christianity. It will be reached, and reached only when the church accepts the precept of Jesus, "ye shall be witnesses unto me," Acts 1:8; with this mission in mind, empowered by the Holy Spirit, the church can and will do the task it has been given to do. This is not done within the walls of a church building, or in committee meetings, or within the bounds of highly specialized pro-

grams, or even with highly trained preachers in special "Revival Services;" but it will be done only when one person tells another person about his experience with Jesus Christ and what Christ has done for him and meant to him.

It seems almost impossible to construct and maintain a programmized associational program. Leaders CANNOT be enlisted. Those who can lead are already loaded down in the local church. When pastors are enlisted, they move away and the organization falls flat. People will not attend associational meetings and time and money spent for such meetings seem to be in vain. With those concepts in mind, I have tried to lead churches in a practical, workable mission program. We have tried to enlist churches to work with migrants, one of the neglected and isolated groups of people in our association, and after three years only six churches have responded. Last season Atlantic, Beaufort, Newport, a group from First Baptist, New Bern, Marshallberg and Smyrna, and Davis have attempted any work with these people. Eighteen migrant camps were located within our associational area and eighteen churches were requested to minister to these people.

In the area of Vacation Bible Schools we had two summer workers; Rev. W.B. Moore, whose salary and travel expenses were largely paid for by the Dept. of Missions of our Baptist State Convention of N.C., and Rev. Glenn Bunch, whose salary was paid by the Interracial Dept. of the State Convention. Through special offerings from church Vacation Bible Schools, the living and travel expenses of this worker was provided. These two men working together conducted seven mission schools, mostly in Black churches. Churches in the association that conducted mission schools are: Newport (2), Pollocksville, Havelock First, National Avenue, Beaufort First, Mrs. Julia Hudson and a group of youth from First Baptist, New Bern, and Cherry Point. A group of young people from First Baptist Church, Bardstown, Kentucky, held a school at a migrant camp near Bayboro for a total of sixteen Extension Mission Schools in the association. Last year we had twenty-two.

It is our hope, aim, and prayer that our churches will really get a vision of the fields that are truly white unto harvest; also, that we can come to realize that the absolute necessity of a living witness for Christ. The scope is unlimited.

Sincerely,
H.A. Privette

1970 REPORT OF THE EXECUTIVE COMMITTEE

Your Executive Committee has met regularly during this past year, with attendance not as good as expected. Some of the churches have not selected representatives who were concerned enough to attend the regular quarterly meetings. This is your ASSOCIATION between annual sessions and it behooves every church to be represented at these meetings. Only as the churches respond may the necessary business be taken care of.

During this past year reports from the various organizations were very encouraging. Moves were made to form a youth council within the association to work with our youth on an associational wide basis. Mr. Rhett Fulcher was elected as Director and Rev. Daniel Deaton as pastor advisor in March 1970.

Much work and training was put forth to acquaint the churches with the new names for the departments within the churches and the new literature.

At the May meeting the Executive Committee forwarded its recommendations at the request of the Nominating Committee, North Carolina State Baptist Convention, for

members of the General Board and institutional trustees.

During the year request for aid in pastors salary from several churches were approved and forwarded to the Missions Department of the State Baptist Convention for approval. One request for aid in the purchase of a lot for future work was approved and forwarded.

It is our prayer that during this year ahead of us that those of you elected to represent your church will be concerned about the work of your association and keep your local church informed as to those things necessary to be done between now and the next regular ASSOCIATIONAL MEETING.

BROTHERHOOD REPORT

The Brotherhood Department of the Atlantic Association is almost nonexistent. I accepted the Brotherhood Director's position hoping to fill the other positions later in the year, but was unable to find men who were willing to give of their time and efforts to build a strong and effective Brotherhood program for the Association. Somewhere along the way we have lost our vision of a united group of men witnessing to the saving power of our Lord and Savior, Jesus Christ. I believe we must stop and examine the priorities we have placed on our secular life against the ones we have placed on our Christian life. When we realign our thinking and put Christ and Christian discipleship first, then and then only can we expect to see a greater awakening in our Association.

The year was not a total loss. In January, there was a Shaping the 70's school held in the First Baptist Church, New Bern, and one in Morehead City, First, with a total of 25 men participating. February, we held a Baptist Men's Rally in the Newport Church with approximately 130 people present. Of the 32 churches in the association, only 6 have reported Brotherhood work.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The year 1970 has been a year of extensive teaching by the Associational Sunday School Department. Deliberately avoiding unnecessary meetings, the Sunday School concentrated its reports in preparing each church of the Association for the changes to take place in the 70's.

On January 19-20, the Sunday School Superintendent was in training at the First Baptist Church, Goldsboro, for the 70 Onward Conference. The churches of the Association had two opportunities to gather needed information on the 70's Bible Teaching Program. The same conference was held twice. One conference was held in the First Church, New Bern, and the other conference was held in the First Church, Morehead City. In these conferences the overall understanding of the Bible Teaching Program of the church was presented.

The Sunday School Department went further to assist each church with any special problem that they may have encountered. Upon request, individual visits were made by the Associational Sunday School workers to the local churches. In these visits the

worker helped the church establish group-grading systems and helped them decide on the literature that was needed.

The Sunday School Department has been willing and prepared to help the Association meet the 70's.

CHURCH TRAINING REPORT FOR 1970

Training Union "M" Night was held on December 8 at the First Baptist Church, Newport. Attendance was 372; Smyrna Baptist Church won the banner for greatest percentage in attendance and Newport received the banner for greatest attendance. A most challenging drama was presented by the youth of the Newport Church. The title was "Lord, Make Me Aware." Mr. Vincent Wall was the speaker and his message was most thought provoking.

Associational Youth Night was held at the Cherry Point Baptist Church. This was at the conclusion of youth week for many churches in our Association. There were 219 young people and their leaders present. Havelock, First rendered special music; the young people of National Avenue presented a short play that emphatically pointed out to us, but in a humorous presentation, the need for definite Christian standards in our daily living. The challenge was given by a former Chaplain, Rev. A.L. Butters. Emphasis was placed on the dependence of "Old Coots Like Myself" by youth for energy, enthusiasm, and inspiration.

Havelock, First was host to the Associational Church Training Tournaments. We commend those that participated and their workers, but we sincerely regret that only three churches took part in the tournaments. We look with interest at the new ideas and structure for next year as the tournaments are replaced with exciting new creations.

Your Associational Director had the pleasure of moderating a discussion group at the State Youth Convention at Greensboro. I came away with the desire to see all of our churches represented next year.

"M" Night will be on November 23, 1970 and we urge all churches to include this date on their church calendar.

REPORT ON THE MIGRANT MINISTRY

Migrants have been regularly coming and going into the area comprising this association for years. Most of the work for migrants is concentrated in the Eastern and Northern sections of the association. Each year the number deminishes as farms become more mechanized and more migrants find steady jobs. The way of life for these people and the circumstances under which they work must be seen to be believed. Most of those come to this area are Black. They are a forgotten people; the White will not minister to them because of a feeling of frustration, repugnance, and intolerance. The Black people consider them below their level and reject them. The fact remains that no matter who they are, or under what circumstances they live and exist, they are

people and people for whom Christ died, and people that He loves without discrimination. They are included in His Commission to us and we will be held responsible to Him for our witness and service to them.

For several years we have tried to enlist the churches in a meaningful, worthwhile, and purposeful ministry to migrants; with the exception of possibly one visit to a camp over the six week period of their stay, taking some food, old clothes, trinkets, etc., and possibly a devotional service to round it out, there has been little progress made. These people are receptive to friendliness, and they listen eagerly to Bible teaching. Some are devout Christians and really need a spiritual ministry to help maintain their courage, strength, and witness among their own kind, but for the most part they are degenerates who need the gospel message. They will respond to it when it is presented in love and the power of the Holy Spirit.

We want to commend the churches who did offer a ministry to these people. Mrs. Julia Hudson and a group of young people from First Baptist Church, New Bern, conducted a Bible School at a camp near Bayboro, a group of young people from First Baptist Church, Bardstown, Kentucky, came over on their own expense and conducted a school at the same camp. Some of these young people went back to their church and reported this as perhaps the outstanding experience of their life. The Atlantic Church did a good service, and, also, the Davis Church had a meaningful ministry to one camp. The First Church Beaufort and Newport Church worked with two other camps. We had a total of eighteen camps in the association with approximately 350 - 400 people. There are no other religious groups that offer any type of spiritual ministry to these people.

Sincerely,
H.A. Privette
Missionary

COMMITTEE ON MEMORIALS

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" John 11:25-26.

The power of the Christian faith over death begins with an awareness of the simple joys of life as we live day by day. It reaches its climax in the assurance of immortality. No Christian need look on death as a black monster which creeps on its victim in the night.

There is no agony in death itself. There may have been pain and suffering previous to death, but death is enveloped in a merciful unconsciousness. The loved one who has passed on is not dead but is alive forever more. Thought, mind, spirit; these in their fundamental nature are timeless. The body is earthly and passes away, but the soul is eternal and so lives forever.

Although that loved one cannot return to you, you can go to it. For those of us who are Christians, there is a firm confidence in a Heavenly Father whose loving care provides for all of our needs. In the presence of that Divine Love we are able to join the company of those who fear neither life nor death.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society was established in 1816 for the purpose of making the Scriptures available to all humanity without discrimination regarding language, station in life, or geographical location. It is the aim of the Society to see that all the world has the Scripture in the language that it can best understand it, with the ultimate aim of producing a new life in Christ. Jesus said to Peter when he had confessed his faith that Jesus was the Christ, the Son of the Living God, "Upon this rock I will build My Church." THE BIBLE IS THE INDESPENSABLE BOOK. One cannot believe and confess in a Christ he does not know. Millions of people have had their only opportunity to come face to face with Christ as they faced him in the pages of the Scriptures. By the reading of the Scriptures, the face of many is kept warm and glowing, their conduct, as Christians, is guided by the constant reading of the word. The reading of the Scriptures is a means whereby Christians grow in grace and without it the believing man will find it difficult to maintain the Christian life. It helps to sustain the church and is the instrument for reaching the unhappy, stirring masses of the world in the never ending effort to redeem the souls of man.

The Bible must of necessity be placed in the hands of lost people; this is the purpose of the American Bible Society and ours as we work cooperatively together for the salvation of dear souls that do not know God. In this effort, can we do less than give our best?

Last year (1969), Southern Baptists with 11,400,000 members gave only $232,765.03 for this cause through the American Bible Society. Compared with how God has blessed us and as we consider the opportunities that we have, we need to be ashamed of our lack of concern. We might well ask ourselves the question, "Honestly, do we really care?"

CHILDREN'S HOMES OF NORTH CAROLINA, INC. 1970

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other

friends.

Baptist child care and family services for Eastern North Carolina are coordinated through the office of the Superintendent of Kennedy Home. The main campus, located on a 1200 acre farm five minutes west of Kingston, has twelve cottages which accomodate from ten to twelve children each. The campus at Odum Home and regional offices in Raleigh and Fayetteville are additional points through which these services are administered. An area of great growth in recent years has been the increase of foster homes from one to fourteen in number.

Recent construction has provided two of the most modern brother-sister residences plus two individual houses for staff families. Currently being completed is a new infirmary of modern design, and a new multipurpose recreational building.

The most exciting development for this section is the TEN STAR BUILDERS PROGRAM which proposes to raise two and one-half million dollars for immediate and long-range expansion of child care and family services in the east. This will permit the renovation or replacement of old facilities and will result in a greater quality and variety of services.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

ASSOCIATIONAL COOPERATIVE PROGRAM

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One hundred and seventy-three churches increased Cooperative Program giving by ten percent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the imprisoned, and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Service, and ever increasing State Missions programs. The goal for these causes this year is $7,000,000.00.

This year, from January 1 through June 30, the Atlantic Baptist Association sent a total of $36,892.53 to the Cooperative Program, with 29 out of 34 churches participating. This compares very favorably with other Associations of the same number of churches.

Your associational officers and your Division of Stewardship Promotion personnel are delighted to offer friendly service to aid your stewardship program, Cooperative

Program sharing, visual aids, or annuity requests. On your invitation we stand ready to assist in every way possible.

ASSOCIATIONAL EVANGELISM REPORT

In associational evangelism clinics, a strong emphasis was placed upon: shaping the 70's through Evangelism, Strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

Our Associational Evangelism Clinic was held at Newport Baptist Church, on Friday night, March 6th. Dr. James Leo Green, Professor of Old Testament at Southeastern Baptist Seminary, was the principal speaker. This meeting was poorly attended, and very little effort was put forth by the majority of the churches of our Association, to make this meeting a success. The time was at the end of the Week of Prayer for Home Missions, but what greater way could we have closed this Week of Prayer.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000, with Dr. Leighton Ford of the Billy Graham Association as featured speaker. Pray for this special session that many youth will make genuine decisions for Christ. Also pray for the evangelism efforts here in our own Association.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albermarle Home, in Albermarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yancyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problem. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing,after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the hear diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When the doctor reserves a bed for a patient, the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 28 churches in our Association contributed $3,047.10 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

Fred Mauney

REPORT OF STEWARDSHIP

The Forward Program of Christian Stewardship, Venture in Stewardship for the Christian Family, the Growth in Christian Stewardship, and Tithers Enrolment Week programs are now available to churches in our association. The Forward Program and Family Venture program are for all churches. The Growth in Christian Stewardship program has been designed especially for churches up to three hundred in membership. The Tithers Enrolment Week Program is for our smallest churches. We urge every church in our association to use one of these four programs in developing Christian stewards and enlisting tithers.

The associational stewardship program is an excellent guide in leading the association to plan and promote its own budget, and at the same time in leading the churches in the association to plan and develop their stewardship emphasis. Every church in our association has contributed to the support of our associational missions work this year. We encourage the use of the stewardship development program during this coming year by the churches of our association in continued development of Christian stewardship.

THE BIBLICAL RECORDER TO THE ASSOCIATION

More than ever before, North Carolina Baptists need a dependable source of in- formation. It is difficult these days to get an honest and accurate report on importan issues.

In some cases, half truths and rumors are circulated, some of them designed t embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error some of these impressions in people's minds are never corrected. This makes pro gress and unity more difficult.

For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearl 90,000 families, striving to speak the truth in love.

In the past year, the RECORDER was pleased to have had a part in the election of Dr Carl Bates of Charlotte as president of the Southern Baptist Convention. A RECORDE editorial endorsing him was considered a factor in his election on the first ballot a Denver. It is an honor to have the convention president from our state. This is jus one example of the influence the RECORDER has had in the past year.

Looking to the future, the RECORDER promises to continue its fight against liquo by the drink, even in the face of strong opposition from those who are pushing for greater flow of liquor in our state. If your church is not sending the RECORDER to ever home, try doing this for the coming year so your members can receive the full stor on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literatur devoted to the Sunday School Church Training, WMU, Brotherhood and all other churc organizations. The RECORDER is just as important and should be in the budget just a this literature is. The cost is only 4¢ a week, a penny less than a post card. You church is the loser by not taking this step. Won't you do it this coming year.

COOPERATIVE PROGRAM REPORT

In a day when many major denominations are cutting back their missions program

we are pleased to report that Southern Baptists are making large advances. For instance, in the last seven years we have gone from $8,452,410 to $13,836,619 given to foreign missions through the Cooperative Program. Similar increases could be shown for all phases of our work.

During the year the churches of the ATLANTIC ASSOCIATION gave $36,892.53. (January 1 - June 30, 1970)

To help the churches of the Atlantic Association grow in support of Cooperative Program work we recommend:

(1). That our churches keep in mind the inflationary trends of our ecomony and plan to increase their contributions to missions.

(2). That every church observe Cooperative Program Month in October.

(3). That every church observe Cooperative Program Day in April.

(4). That contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest:

A. For churches giving under 20%, advance 2% each year up to 20%.

B. For churches giving 20% but under 30% level, advance 1% each year to 30%.

C. For churches reaching the 30% level, advance 1% each year until the objective set by the church is reached.

John Spencer

STEWARDSHIP DEVELOPMENT REPORT

The Stewardship Committee, SBC, now offers to the churches five programs to help in the matter of planning, promoting and pledging church budgets. They are:

(1). The Forward Program of Christian Stewardship. The theme for this year is "If You Really Care - Share."

(2). Growth in Christian Stewardship, a program designed for the church with 300 members or under.

(3). The Christian Family Acknowledging the Lordship of Christ through Stewardship. This program is designed to teach sound money management principles to the Christian family by acknowledging the Lordship of Christ.

(4). Tithers Enrolment Week plans.

(5). Weekend Stewardship Revival plans.

In addition to these materials, which have become standard items, graded materials have been produced to help our churches begin teaching the principles of stewardship development during the early years. "My Money Helps" and "Money and Me" are for children six through eleven. "Youth In Stewardship" (called YIS) is a five session youth fellowship emphasis.

Of increasing importance to the churches in our association will be the stewardship chairman. New materials are being written to help this person do a better job.

ASSOCIATIONAL FOUNDATION REPORT

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

The Foundation advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

The Foundation has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

The Foundation also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

The Foundation has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

THE RADIO AND TELEVISION COMMISSION

Few Southern Baptists realize the full scope of the work they are doing through their Radio and Television Commission. Do they, for instance, know that from 1960-69, the Commission received through the Cooperative Program a total of $7,419,000 for operating purposes? Or, that in return, their Radio and Television Commission obtained a total of more than $37,000,000 in free time from the radio and television industries?

Do they know that the total weekly programming level, foreign and domestic, during 1960-69, rose from five programs and 884 broadcasts in 1960 to 44 programs and 2,783 broadcasts at the end of 1969? Or that Southern Baptists carry on a massive ministry through the Armed Forces Radio and Television Network to our men and women in the military all over the world? Do they know that Southern Baptists, through this Commission, have the largest electronic ministry of any religious group in the world?

Commission productions increased from 32 to 44 during the year and total number of programs aired weekly reached 2,783, an all-time high.

POWERLINE, the "top 40" radio program for teenagers, is currently on 356 stations; and COUNTRY CROSSROADS, featuring a magazine format, and based on "country and western music and its well-known performers, is on 193 stations. These two accounted for a majority of the year's new stations.

THE CENTURYMEN is a newly organized 100-voice male singing group composed of ministers of music from Southern Baptist Churches. Devoted to providing music for the Commission's broadcast programming and to representing the denomination internationally, the choir made its premier performance on the National Broadcasting Company television network on December 28, 1969, and appeared several times in person at the Southern Baptist Convention in Denver, June 3, 1970.

Southern Baptists have a massive ministry to all the children of the world in JOT, the animated children's program for television. The number of stations carrying this program will rise from 40 to 100 during 1970. The JOT films are also available for church use through the Film Centers of the Baptist Sunday School Board.

Next year will bring changes in THE ANSWER SERIES, with the name and style phased out, to make way for a shift from drama to live and film documentaries in a series called THE HUMAN DIMENSION. To date, eight of the programs for this series have been produced.

VACATION BIBLE SCHOOL REPORT

Our Vacation Bible School program for 1970 began in January of 1970 when a complete team of workers consisting of Ellis Lanier, Charles Middleton, John Spencer, Ian Smith, Al Andrews and Marvin Hays attended the State Clinic held on the campus of Wingate College. In March two clinics were conducted by the team in the Association with 172 Vacation Bible School workers representing twenty-eight churches attending.

During the summer months twenty-eight of our churches in the Association held Vacation Bible Schools. In these schools there were 2933 persons enrolled with a daily average attendance of 2506. From these schools there were forty-seven professions of faith and sixty rededications recorded. The mission offering from these schools was $1,114.74.

There were sixteen Extension Vacation Bible Schools held in our Associational area this past year. Seven of these were sponsored through the Atlantic Baptist Association and under the direction of Rev. W.B. Moore and Mr. Glen Bunch. Seven of our churches sponsored and conducted eight extension schools. One school was conducted by a group of young people from Bardstown, Kentucky. This year two weeks of Vacation Bible School were held in one of the migrant camps near Bayboro. These extension schools had an enrollment of 960 with an average attendance of 780. The mission offering of these schools was $89.57.

The churches of the Atlantic Baptist Association are encouraged to continue their effort in the area Vacation Bible Schools. Each church is urged to begin to make preparation early and consider sponsoring an extension school in 1971.

REPORT OF WMU DIRECTOR

Our Annual Meeting has been held and is over for another year. There are many thoughts as I try to evaluate the meeting. The messages were deep-thought provoking and the atmosphere was spirit-filled. But there is still the thought lingering, "Did we really meet the needs of our people?" I will be sending to each of you a sheet with some questions of evaluation and I hope that you will study this and send back your thoughts to us so that we might better plan for next year to meet your real needs.

I want to take this opportunity to thank the many people who worked so dilligently to make our meeting work so smoothly. The Directors of both churches along with their members spent much time in love and labor to prepare for us. Thank you for every minute of this. A very special thanks to Miss Popham our State Sunbeam Director for her time spent in travel, and study, and the leadership she provides. Dr. Nathan Brooks spoke to us words that we must heed if we are to provide any outreach to our people anywhere. We must truly learn to feel deep inside and hurt and weep for the needs of our people. Thank you Dr. Brooks for coming to the Atlantic.

The presentation of the Newport Youth Group was searching and very real. We appreciate the witness of these young people, for they live what they speak.

To our Moderator, the Missionary, and all of those who lead us, we are thankful for your concern and your support for this work.

Have you heard what a dollar can do?

WMU is initiating a plan called OPERATION PAYOFF to enlist every member of the WMU to give at least $1.00 this year and at least $1.00 next year to the Heck-Jones Memorial Offering. By doing this, you can provide the funds needed in WMU as well as pay off the indebtedness on Camp Mundo Vista. Operation Payoff is part of the Heck-Jones Memorial Offering. This offering will be received in May or June. You received brochures at the Annual Meeting on this. Please read them and pray and give for this. Special recognition will be given to each local WMU which reaches the goal of $1.00 per member. These churches will be recognized in a special way at the WMU Annual Session. Lead your church to be one of these!!

I want to say a special word of appreciation to Miss Louise White, Pollocksville Baptist Church; Mrs. Syblene Bixler, Cherry Point Baptist; and Mrs. Malcolm Chitty, New Bern, First. These ladies were the Associational WMU Nominating Committee and did such an outstanding job. We have a full roster of officers for the new year in all of the new positions the WMU will be entering. We look forward to an exciting, busy year with an outstanding group of ladies. In next month's NEWS-LETTER we will present the ladies and their office.

Associational WMU Director

REPORT TO THE ATLANTIC BAPTIST ASSOCIATION ON THE BOGUE BANKS RESORT MINISTRY

The Bogue Banks Resort Ministry was promoted and supported again this year by ten churches in Carterest County, including Baptist, Methodist, Presbyterian, Episcopal and Roman Catholic.

In addition to the volunteer personnel from the churches of the community, six seminary students were employed to head the work, which extended from Atlantic Beach to Emerald Isle. Two of these seminarians were married, so actually there were eight students involved in the work, which included, besides the coffee house ministry, Sunday Schools at the family camp sites, fishing piers, Emerald Isle Courthouse, and a ministry to seamen.

At its October meeting, the Bogue Banks Resort Committee voted to employ Mr. Mark Price, a recent graduate of Duke University, for a period of two years, to work full time in the capacity of director of the Bogue Banks Resort Ministry. Mr. Price will begin his work by continuing an exploration of avenues of witness to the seamen who go in and out of the Morehead City port. The Port Authority is cooperating with us in this work, and are promising an office in the new building to be erected in the near future.

Using the knowledge gained from errors and weaknesses in the program during the past two seasons, the Bogue Banks Resort Ministry Committee is hoping to effect an even wider and more positive Christian witness to the tens of thousands who come our way during the summer months.

We acknowledge with deep gratitude the many private donations which have come for this work, not only for their financial assistance, but for the encouragement they brought to the new and difficult, but very important witness for the glory of our Lord and Saviour, Jesus Christ.

Respectfully submitted,
Howard C. Knight
Chairman

REPORT OF THE RESOLUTIONS COMMITTEE

Whereas we have met for the eighty-seventh annual meeting of the Atlantic Baptist Association, and have reflected on the work accomplished through our church over the months of the past year, be it resolved:

That we give thanks unto God for His grace and mercy toward us all.

That we express our sincere appreciation to Mr. Russell Talley, who has served so effectively as our moderator.

That we express to our missionary, each pastor of the association, church staff members and our lay people, appreciation for their stewardship in God's work.

That we recognize the effort made by our institutional representatives to be with us and share their challenge to us.

That we express a meaningful thank you to our host churches - Peletier Church, Swansboro, First Church, Beaufort, for providing a place for meetings, and for the refreshments of the Peletier Church, and the meal of the First Baptist Church.

Furthermore be it resolved that we depart from this meeting with a greater zeal and more dedication toward being God's people and doing His Kingdoms work.

Respectfully submitted,
Daniel M. Deaton, Jr. Chairman
